Achieving Excellence Together*

**Welcome To Stockwell Primary School**  
**Working Together to Achieve Excellence**

Date: Tuesday 13<sup>th</sup> October 2020

Time: 9:15-10:00

## Agenda:

- 1. Welcome
- 2. Updates
- 3. Upcoming Events
- 4. Google Classroom / Home Learning
- 5. Curriculum
- 6. Questions raised

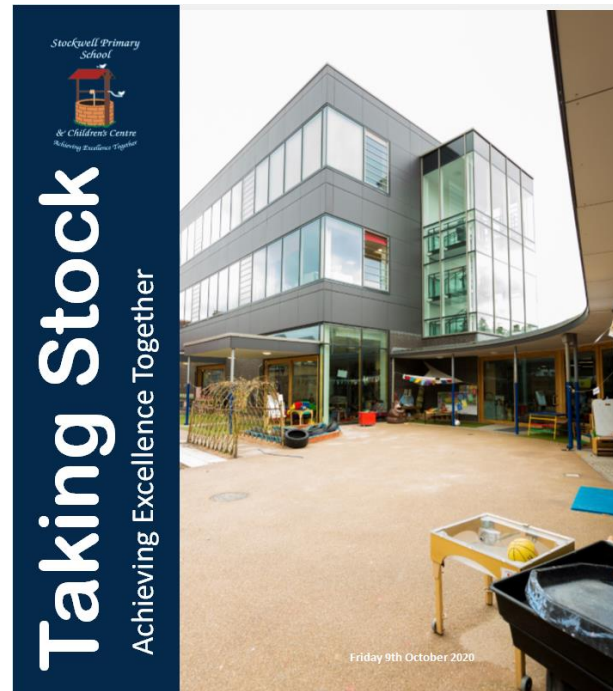

# Welcome!

- Introduction
- New Staff
- Structure
- New parents / families

# Updates

- Bubbles
- Learning Zones
- Emails
- Playground
- Virtual School
- Drop off and collection
- Inclusion hub
- Taking Stock
- Website
- Parent events

**Taking Stock**

Achieving Excellence Together

# Google Classroom/ Home Learning

- Google Classroom (tutorial on Website)
- Paperless homework
- Homework expectations
- Reading (Online resources)
- 5 hour Timetable
- Lockdown

**Bubble Closure Daily Timetable**

Time	Activity
9am	English
10am	Maths
11am	Break/ Snack
11:15	Comprehension Activity
11:45	Quiet Reading
12:15	Topic/ Foundation Lesson 1
1pm	Lunch
2pm	Assembly
2:15pm	Topic/ Foundation Lesson 2
3pm	End of Day Storytime

# Curriculum:

- Across the Partnership, we are very proud of the diversity we have within our bespoke curriculum. We feel that the ethnic make up of our community should be represented across all areas of our curriculum and throughout the year. As such, we do not single out October as the only month to celebrate black history; rather we have woven the history of all the communities we represent into the curriculum as a whole.
- We passionately believe that, by building this approach into everything we do, the children of the Partnership will see themselves represented in daily teaching. This will allow them to gain confidence as they will have the knowledge that they all can achieve great things irrelevant of their colour creed or background.
- Represented within the 5 Drivers underpinning curriculum

# Some questions raised: Fridays..

- Lost schooling time from children losing half a school day each week and the effect on academic progress  
→ PPA cover not needed so gaining 14 extra days a week. Additional teachers able to run meaningful interventions, Secure bubbles so less likely to experience bubble closure
- Financial/managerial pressures from not being able to work on Friday afternoons due to children being at home  
→ Looking at potential provision for childcare / activities for Friday PMs
- The concern that if the main cleaning time is being confined to Fridays, what is the cleaning process like on the other days and how can parents be sure school is safe for children from Tuesday – Thursday  
→ Cleaning happens daily 6-8 with a crew of 7 cleaners. In addition we have a day cleaner cleaning through the day. Additional cleaning time on Fridays allows for a deeper clean to happen on these days ready for the next week.
- Why Stockwell is deviating from other local schools in having the early Friday closing  
→ Many other Lambeth school (Jessop, Bonneville, St Johns, Rosendale etc..) are also doing some form of closure eg Wednesdays, Friday pm.

# Friday expanded:

- 19 Class teacher = 9.5 days needing cover (each teacher released for  $\frac{1}{2}$  a day a week for planning and preparation time.)
- 3 additional teachers = 1.5 days cover needed
- 5 HLTA = 2.5 days cover needed.
- Usual model: Additional teachers and HLTA cover PPA
- Cons:
  1. less intervention possible
  2. Less consistency in teaching
  3. More risk of bubble closure in event of absence

Thanks for attending

Have a great day
