Achieving Excellence Together

Friday 18th September 2020

Our Weekly Update

Dear Parents, Carers, Pupils and Friends,
Well done on another fantastic week back.
The children have all been brilliant and we have loved having the school full once again.

This week we have fully returned back into the swing of things and ended the week with a great Jeans for Genes day.

In this edition of Taking Stock you will find lots of useful information reminding you of the new arrangements. There are also lots of pictures of events that occurred throughout the week. Look out for the link to the yr 6 assembly too on page 4!

We ask that you continue to follow the guidelines we set out so that we can all remain safe and remember to follow social distancing guidelines when collecting and dropping of your children

Have a great weekend!

Reminder

Please be reminded that, should you need to speak to the office, please do so by phone.

This is to reduce the number of adults on site and to keep everyone safe.

Staggered start times and Timetables

We have made every effort to minimise the number of people and congestion around the school site during drop off and collection times. As such we ask that you follow the entry / exit points and timings set out for classes and year groups.

Below are the drop off and collection times for all classes and an example timetable for your reference.

Please stick to your times and follow social distancing guidance at all times.

Staggered Start and End times Mon - Thurs

8:30 – 11:30	8:45 – 3:15	9:00 – 3:30	9:15 – 3:45
Pre school	RA	RB	Nursery
	1A	1B	1C
	2A	2B	2C
	3A	3B	
	4A	4B	
	5A	5B	5C
	6A	6B	6C

Staggered Start and End times Fridays

8:30 – 11:30	8:45 – 12:30	9:00 – 12:45	9:15 – 13:00
Pre school	A Classes	B Classes	C classes

Drop Off And Collection

Please do not enter the site until your designated time as you will not be able to wait on site.

We ask that you do not linger during drop off or collection and maintain social distancing guidelines with regards to other families. We also ask that, where possible, drop offs and collections are made by 1 family member.

While we appreciate it may be difficult to do so, we ask that parents "Drop and Go", continuing to move towards the exit at all times. This is to reduce congestion and allow for a smooth running of collections and drop offs.

Lost property

Dear all, in order to ensure we are maintaining the integrity of our year group bubbles, and in light of parents not being on site we have made the following amendments to lost property:

Each year group will have a separate lost property box.

All unclaimed lost property will be washed and recycled termly.

The best way to ensure items are returned to owners is to ensure names are in all items brought to school.

This Week: Getting back to Learning continues!

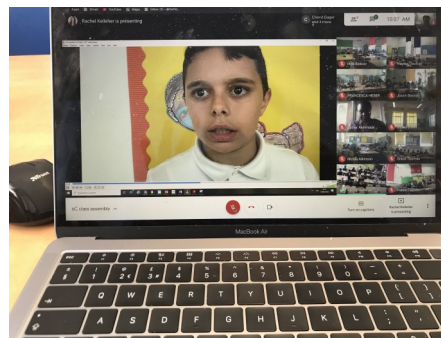

Jeans for Genes

Well done and thank you to everyone who wore Jeans today and donated a pound.

Stockwell managed to raise £235.82 towards such a worthy cause.

Not only that but we all had great fun doing so!

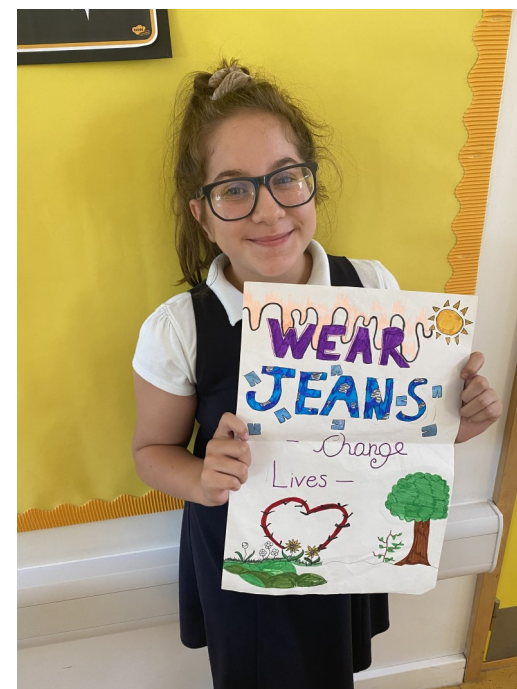

"6C have been learning about genetic conditions and what that means for children who suffer with them in Britain. We wanted to create a fun and interactive assembly to let children around the school know about all the important work that Jeans for Genes does for these children."

Marvin 6C

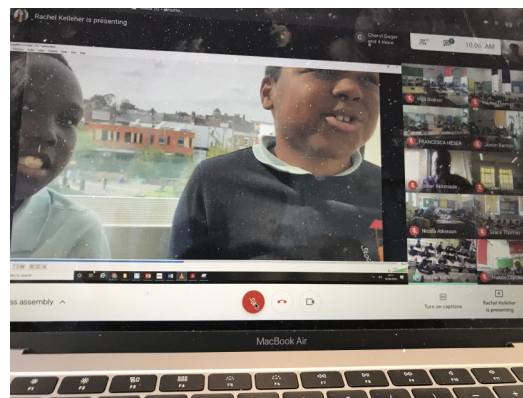

6C Class assembly.

Our class assemblies have taken on a new look this term; moving to a virtual platform! All classes were able to enjoy a fantastic assembly from the comforts of their desks as 6C were broadcast into all classrooms

Packed lunches

Just a gentle reminder about packed lunches brought to school: Please ensure children have a healthy packed lunch and remember that we do not allow glass bottles, fizzy drinks and items containing nuts.

Year 6 Secondary Transfer

The Y6 Secondary transfer parents meeting was held virtually on Wednesday the 16th September. A big thank you to all our parents and carers that attended. During the meeting, we also heard from the principal of St Gabriel's college, Lambeth Academy and leaders from St Martins-the-field High school.

If you missed this event or want to join another event then Bonneville Primary are holding a virtual meeting on the 23rd September 5-6 pm.

Anyone interested can join via the link:

<https://meet.google.com/mvf-yseb-ndx>

A quick reminder of the key messages:

Application online opened from first of September 2020

The deadline is October 31st 2020

All applications must include proof of your address and proof that your child lives at that address.

All applications must include proof of your child's date of birth

You can choose 6 schools in order of preference on the Common Application Form

Remember to check if you also need to fill out a supplementary information form.

Some schools require your child to sit a test.

Most importantly attend virtually or in person open days or evenings.

Take your child along!

For any further information please feel free to contact Ms Akinmade or any of the year 6 teachers.

Lambeth

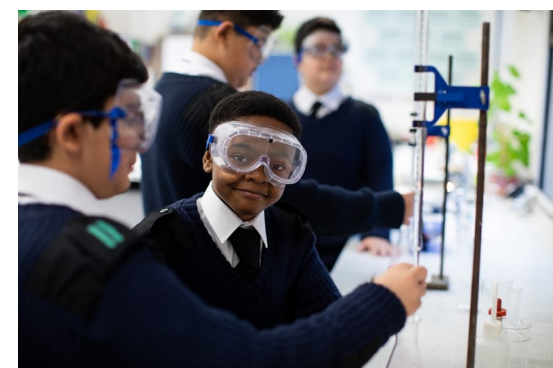

Starting secondary school in Lambeth 2021/22

Information for parents/carers of children born between 01/09/09 and 31/08/10, or taught as a year 6 child during the 2020/21 academic year, who will be transferring from primary to secondary school in September 2021

Apply online and apply on time
Deadline: Saturday 31 October 2020
lambeth.gov.uk/admissions
If you apply after this date the likelihood of gaining a place at your preferred school may be significantly reduced.

Admissions

Lambeth

Covid Consideration for all

We have had several reported incidents of dangerous and inconsiderate parking on Burgoyne road. Please remember for the safety of all to drive and park responsibly. We have asked Lambeth Parking enforcement to support with this.

We also ask, out of consideration for our local businesses, that parents queue towards Brixton rather than Stockwell station on Stockwell road when waiting to drop off and collect children
