## Our Weekly Update

Dear Parents and Carers,  
We have made it to the end of term!  
What a term it has been! Despite the multitude of hurdles we have managed to overcome them all and have continued to learn laugh and enjoy all the experiences the school has to offer.

Sadly this term we say goodbye and good luck to several members of staff who are moving on. Ms Marita, Ms Aminah, Ms Helen, Ms Rana and Ms Ruhena. We thank you for everything you have done for the school and community and we wish you every success in your future endeavours.

Please note that the children return on Tuesday the 5th January and don't forget to check updates on the newly refurbished and re-launched website Here:

<https://www.stockwell-pri.lambeth.sch.uk/>

All that is left for us to say is have a very merry and safe holiday, look after one another, laugh, share and enjoy!

Have a great holiday and see you all in 2021!

## Contact us

Please be reminded that, should you need to speak to the office, please do so by phone.

This is to reduce the number of adults on site and to keep everyone safe. Alternatively, please email us on:

# Staggered start times and Timetables

We have made every effort to minimise the number of people and congestion around the school site during drop off and collection times. As such we ask that you follow the entry / exit points and timings set out for classes and year groups.

Below are the drop off and collection times for all classes and an example timetable for your reference.

Please stick to your times and follow social distancing guidance at all times.

## Staggered Start and End times Mon - Thurs

Pre school	A Classes	B Classes	C classes

## Drop Off And Collection

Please do not enter the site until your designated time as you will not be able to wait on site.

We ask that you do not linger during drop off or collection and maintain social distancing guidelines with regards to other families. We also ask that, where possible, drop offs and collections are made by 1 family member.

While we appreciate it may be difficult to do so, we ask that parents "Drop and Go", continuing to move towards the exit at all times. This is to reduce congestion and allow for a smooth running of collections and drop offs.

## Lost property

Dear all, in order to ensure we are maintaining the integrity of our year group bubbles, and in light of parents not being on site we have made the following amendments to lost property:

Each year group will have a separate lost property box.

All unclaimed lost property will be washed and recycled termly.

The best way to ensure items are returned to owners is to ensure names are in all items brought to school.

# Performances

Reception Children put on their costumes and performed a Nativity to an empty house... Don't worry though; the video will be shared with Reception parents in the next couple of days!

Our Preschool have prepared a special festive treat for you.

- Thousands of children and adults desperately need help to get online
- You can help your community by donating devices you no longer need to those who have no way to get online for education or other vital services
- Lambeth TechAid will collect it from you, or you can take it to one of our drop off points

Receiving a smartphone has made such a difference to my life! Especially to the loneliness and boredom I was experiencing, not just in lockdown, but in everyday life as well. I can also now talk to my GP without going in!

## From the PTA:

Friends of Stockwell PTA want to thank parents for their amazing generosity this year, enabling us to totally revamp the playground, raise money for families in need and provide our children with hot school lunches. It's been really tough not being able to bring everyone together for our usual Fairs and we have our fingers firmly crossed for a more sociable 2021. Plans are already in motion to raise funds for a feel good mosaic on the Stockwell Road entrance to the school in the New Year - watch this space. In the meantime, Happy Christmas and Happy Holidays!

# Children's Centre **New Program!**

We are pleased to let you know that Liz Atkinson will be open from January, the building work is finally complete and we cannot wait for you to see our lovely new garden! Our sessions across all of our children's centres will start back the week commencing the 11<sup>th</sup> January 2021.

To keep you, your family and our staff safe we have had to make changes to how our services are delivered. Things may look and feel different to how they were before;

## **What has changed....**

- You will be asked to wash your hands (for at least 20 seconds) or use hand sanitiser on arrival.
- All of our group/face to face sessions are now bookable. If you haven't booked in advance and your name is not on the list, you will not be able to attend.
- Our sessions have been reduced to an hour, so staff have time to clean and sterilise equipment used.
- A very limited amount of parents and children will be able to attend. If a session is fully booked, you will be prioritised for the session the week after.
- Only 1 adult from each family is able to come along to a session.
- Windows and garden doors will be open within the centres to keep the rooms well ventilated.
- At stay and play we will encourage use of the garden space as much as possible, with minimal set up of play opportunities indoors – so please dress for the weather.
- All adults need to observe social distancing rules and keep 2 metres apart.
- The entrance in to the centres may have changed, this will be clearly labelled.
- Buggies must be left in the buggy park and not brought in to the centre.
- If you put your name down to attend a course, you will be contacted to let you know you have been given a place, spaces will be limited.

## **What is on....**

**Monthly Home Learning Resource Pack Collection** – contact the centre you would like to collect from by telephone/text message and add your details to the monthly collection list. You will receive a message on collection day each month as a reminder you of the time to collect.

Our crèche places will be very limited, at times, we may be able to offer you a place on a course but not a crèche place, so you would need to find your own childcare if you would like to attend.

**It is also very important that you do not come to the children's centre if you or anyone in your household are awaiting the results of a test for coronavirus.**
