Our Weekly Update

Dear Parents and Carers,
We have now completed the penultimate week of this half term! With only one week left to go we can look back at all our achievements and be proud of how far we have come. From staggered starts to bubble closures and everything in between the children, community and staff have risen to every challenge and overcome all obstacles in our way! Despite the unseasonable weather we have had a great week full of rich learning opportunities. The children are fully immersed in their topics and are producing high quality work for which they should be very proud. We are very much looking forward to next week to wrap the term's worth of learning and start to think ahead to what will come next. All that remains is for us to wish you all a very safe, happy and exciting weekend!

BILINGUAL IDENTITY PHOTO PROJECT & EXHIBITION - WE ARE LAMBETH

BILINGUAL HERITAGE OF PORTUGUESE-SPEAKERS IN LAMBETH

The identity photograph project aims to celebrate the diversity in Lambeth and the positive contribution of Portuguese Speakers to Lambeth's daily life. This project explores the importance of students' identity as Portuguese Speakers in our society. It is an opportunity to celebrate their heritage, culture and languages and their contributions to the local area.

PHOTOGRAPH COMPETITION

We would like students to take photographs that capture and represent their identity as bilingual Portuguese Speakers living in London. Each photograph should be accompanied by a short summary describing why it represents their identity.

ENTRANTS

The photograph can be as creative as you like and is open to any Portuguese-speaking student attending a Lambeth School. Please send photos to Lambethschoolspartnership@gmail.com (photos should be in jpeg, png or tiff formats). Please include **Somos Photo Competition** in the email subject.

EXHIBITION

The best photos, as determined by a judging panel, will be printed and/or displayed around Lambeth and be part of a special exhibition taking place in Summer 2021.

Deadline: Friday 28th May 2021

The Reception children have been loving their new mud kitchen. A big thank you to everyone who contributed kitchen appliances, they have made the kitchen come alive!

Year 1 has been learning about the Seaside. In their Art class they have used clay to make some objects which can be found at the seaside.

Which objects can you recognise?
