Our Weekly Update

Dear Parents and Carers,
One week to Go!

It is hard to believe that this year is coming to a close. What a year it has been too! We have taken on Covid, Virtual Learning, bubble closures, isolation periods and many other adversities but have come out of it stronger and still smiling!

We have also strengthened our Federation with the addition of Bonneville Primary School.

The children and staff continue to make us all proud to be part of this wonderful school!

As you are aware I am taking a sabbatical to spend more time with my family and experience living in the French Alps, but I did want to take this opportunity to thank you all for your support and trust.

It has been an honour and privilege to work here. I very much look forward to seeing you all next week.

This is very much Au revoir rather than a Dieu! Have a fantastic safe and happy weekend and see you all on Monday for one more week of fun, friendship and learning!

Brixton Fire Brigade visited Stockwell on Tuesday.

They met with the Year 3 children and highlighted the importance of fire safety and explained a bit more about the work they do.

Thank you Brixton Fire Station Staff!

Events

The children were treated to a special lunchtime show from Brixton Chamber orchestra on Tuesday.

It was so nice to be able to see children enjoying a larger event (whilst maintaining Covid safety).

KS1

We had some much in our Science lesson on Thursday.

We found the circumferences of trees in the Green Zone and also did some bark rubbings.

Which tree has the most out standing patterns on it's trunk?

A consolation prize...

ART Project

A couple of weeks ago, children in years 2 to 5 dedicated their Golden Time to a special project...

They decorated the paper dolls to show football teams and players of the Euros and these were featured in a montage video of the tournament played to Wembley!
