Our Weekly Update

As we end our second week of the school year, and our first full week, I am delighted to let you know how settled the children have been. Walking around the school, I am seeing lots of learning and happy faces, which is great to see. This week we have been focused on getting started with the curriculum, learning school routines and establishing expectations. We also started PE, Spanish and Music lessons this week—it has been wonderful to hear the school full of music and I've been greeted with lots of 'Hola' as I have walked around the school.

It was also lovely to see so many of you for Meet the Teacher sessions. If you were unable to attend, the information will be sent out to you so that you don't miss anything. If you have any questions, please do not hesitate to ask. You can always catch teachers at the end of the day in the playgrounds, but we would also advise making an appointment if you have anything in depth that you wish to discuss.

Next year, because of the Queen's Platinum Jubilee, there is an extra bank holiday on Friday 3rd June. As this falls during the summer half term holiday, all schools have been asked to reduce the school year by one day elsewhere in the school year. The academic year will therefore end earlier than previously publicised, at 1:30pm on Wednesday 20th July. All term dates and calendars will be updated accordingly. These will be sent to you shortly.

We will be opening the gates at 8:45 each morning to ease congestion on the pavements outside the school. The doors to the building will open at 8:50 for soft start. Please remember, you are welcome to use the gates on Burgoyne Road as well as those at the front of the school on Romero Close. We will continue to employ the one way system as this also supports with easing congestion. We appreciate your support with this.

Have a lovely weekend all and we will see you bright and early on Monday morning.

Teddy Bears' Picnic

Friday 17th September 2021

3.30pm — 4.30pm

At Stockwell's Nursery

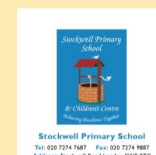

indoors and outdoors area.

Refreshments will be provided, but feel free to bring along your own healthy snacks.

Don't forget your Teddies!

Look forward to seeing you all there.

Nursery Teddy Bears' Picnic

The children in The Nursery have been designing and making papier-mâché nests.

Parent Workshops

There will be a number of parent workshops taking place between now and the end of the Autumn term to help you to support your children at home. Look out for dates on the school website and we will be sending further information home nearer the time.

Year 6

Our wonderful wellbeing ambassadors have been busy creating a place for children to go in the playground if they are feeling down.

Word of the week: Create

1) my object is a amonite

2) They were alive a very long time ago very very long time

3) It was made by the natural world

4) It would feel like a bumpy rock and smell like damp salt

Birthdays

Unfortunately, we cannot accept whole cakes in school for children's birthdays. While we understand that you would like your child to celebrate with their friends, we ask that, if you want to send something in to school, you ensure that it is small and individually wrapped to be given out and taken home at the end of the day.

Stockwell Primary is a Rights Respecting School.

This month we are thinking about Unicef Article 29: I have the right to an education which develops my personality, respect for others' rights and the environment.

We are passionate about reading at Stockwell Primary School. The children have a story read to them at the end of the day in all year groups. Reception were certainly enjoying their End of Day Reading Session when I visited.

Year 5 are learning about Hinduism. They greeted me as I entered the classroom, showing me what they had learnt.

Value for September: Ambition

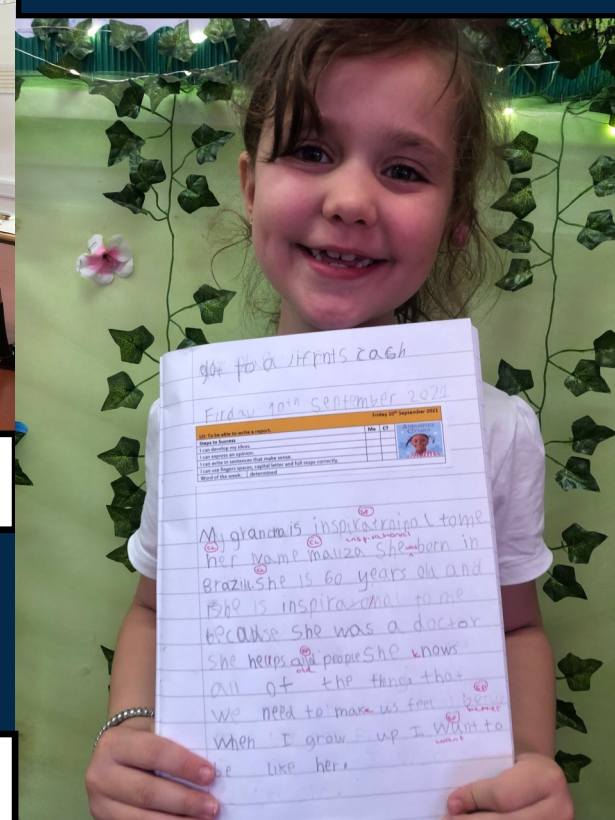

Please ensure that your child has a named water bottle at school. We are happy for them to refill them throughout the day.

We are already accumulating lost property. We will do our very best to return everything to its rightful owner. Please help us by naming your child's belongings.

School Meals

School meals are charged at £2.60 per day for children in years 3-6. If you think that your child is entitled to free meals, please come into the office to complete a form.

Year 2 have been thinking about who inspires them and writing about inspirational people.
