Achieving Excellence Together

Friday 24th September 2021

## Our Weekly Update

This week saw us take part in Car Free Day on Wednesday. Find out more about this great session inside. It was also Wellbeing Week this week. Wellbeing is a huge priority for us at Stockwell. Each day, the classes thought about a different aspect of Wellbeing. Classes made fruit kebabs, enjoyed mindful yoga sessions, made posters about healthy teeth and took part in additional physical activities.

This week, Mrs Akinmade, Mr Serra and Mrs Fraga also started the Pupil Leadership team. Look inside to find out which children were awarded these important jobs. We will be on the lookout for more play leaders and we will also be recruiting a team of Eco-Warriors to help take care of the school grounds. Please encourage your children to let us know if they would be interested in these positions.

Ms Kelleher and Mrs Akinmade also hosted a Secondary Transfer meeting for the parents and carers of children in Year 6. Unfortunately, the representative from Evelyn Grace was unable to join us. We have arranged a one-off virtual meeting for parents on Tuesday 28th September at 4:30pm. Please let the office know if you would like to join us.

I have had a number of people asking about school uniform. The school uniform policy can be found on the school website. Please ensure that your child is wearing the correct uniform each day and that they have their PE kits in school on their PE days. All children should be wearing PE kits for their PE sessions. Please make sure that your child's uniform is labelled so that we can return lost property to the children.

Have a wonderful weekend everyone and we will see you bright and early on Monday morning.

# Pupil Leadership

We have been busy electing our pupil leaders to ensure that the children of Stockwell have a voice and get to take part in deciding how the school is run. For some roles, the children had to apply for the positions, get references from staff members and undergo interviews. It was quite a process. We are delighted to announce this year's Pupil Leadership team.

# Car Free Day

On Wednesday, we celebrated Car Free Day. Nine London boroughs took part, Lambeth being one of them. We made the most of the road being car free and had afternoon play times out there. After School Club also went out for some fun on the road in the beautiful weather. We were joined by Mr Andrew and the Stockwell band and Friends of Stockwell organised a lemonade stall, a bring and buy uniform and costume stall, LEAP, Mums for Lungs and PopFlorist, a flower stall. Doctor Bike came to help get bikes on the road too. What a great afternoon.

Our children, who attend the Hub, are thoroughly enjoying the bespoke curriculum, which is totally tailored to their needs.

They are thriving with the learning opportunities generated by the 'Elmer the Elephant' book.

The sensory room and the sensory garden are definitely two extremely popular areas, where children use their senses to explore and understand the world around them.

## The Hub

# EYFS

The pre-school children have been taking care of our preschool pet fish Sardine. They have also been playing and sharing the colourful wooden blocks building towers and counting.

This week in Nursery we have been learning and acting out the story of the Three Little Pigs. Children built the houses made of straw, sticks and bricks and took turns being little pigs and the big bad wolf.

In Reception we used pom-poms, cubes, and other objects to match numerals and quantities from 1-10. We wrote our names using PVA glue and glitter. We also learnt that exercise is important for our brain and body, and we did class yoga—Cosmic Kids!

Year 1 have been learning about healthy eating and mindfulness. They had a healthy picnic and drew around their bodies, making labels of the benefits that exercise has on internal body parts.

Whilst learning about nutrition, year 2 made fruit kebabs. On physical wellbeing day, they ran races and practised stretching. They have also been learning about the effects of sugar on their teeth.

# KS1

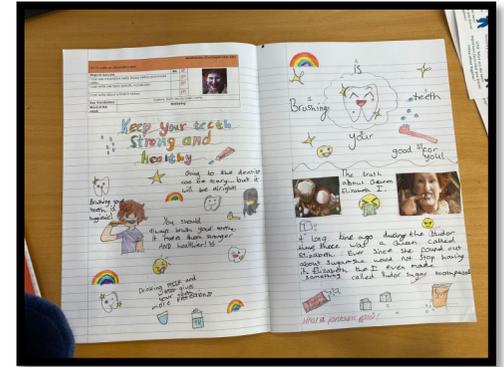

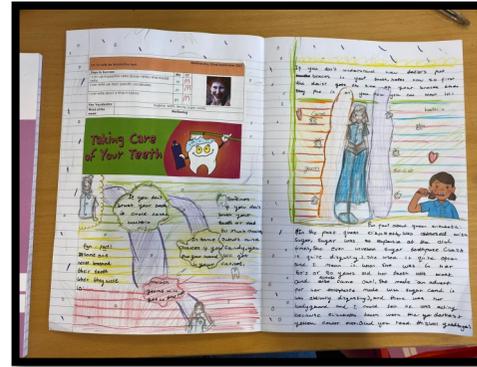

# LKS2

The children in Year 3 brought in a range of delicious fruits to make fruit skewers. They also took part in mindful yoga sessions which focussed on their breathing and stretching to keep their muscles and bones healthy and strong

The children in Year 4 used glitter to show how germs are invisible and can be transferred to people and objects. They thought about handwashing and making sure that we use soap to wash our hands for at least 20 seconds

The children in Year 5 thought about how to take care of their teeth during Wellbeing week. They also took part in activities focused on their physical and mental wellbeing throughout the week.

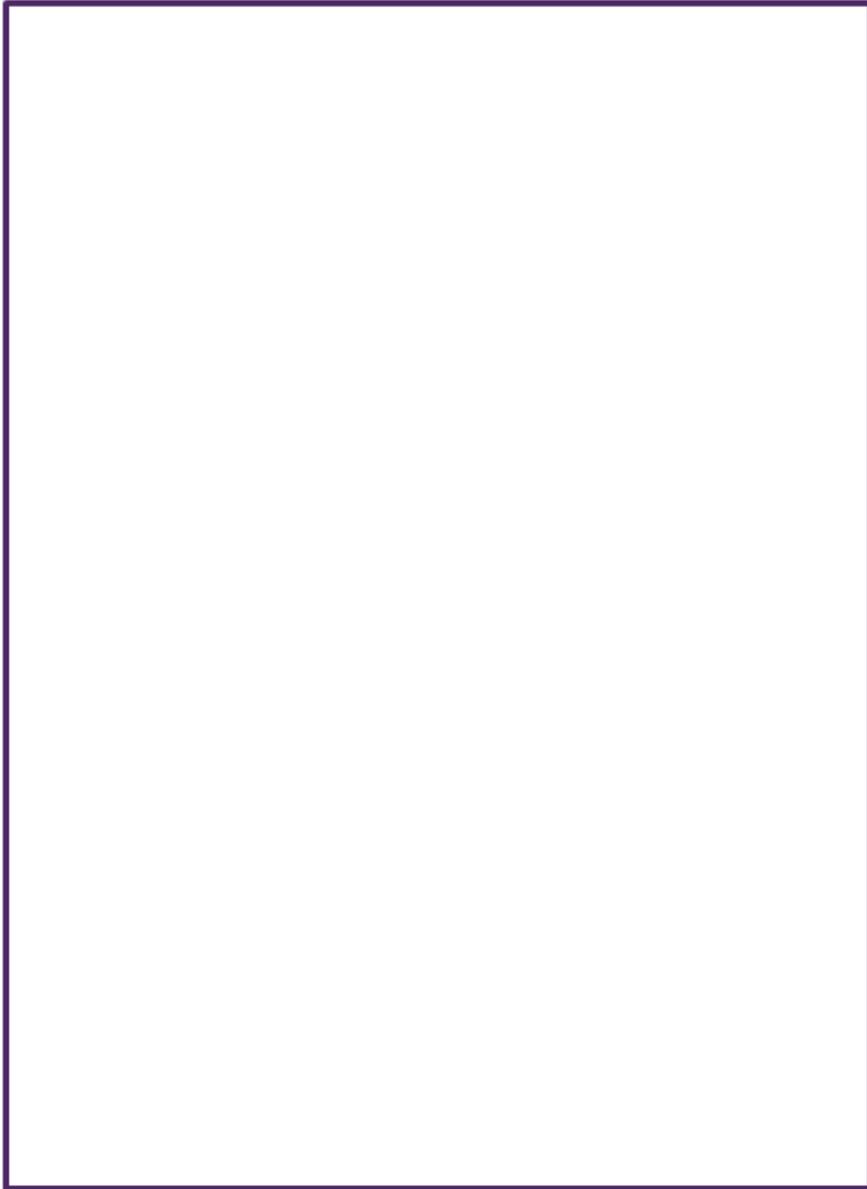

During Wellbeing week, 6B enjoyed playing a new game they invented - Fetball - which combines rules of football and netball. The Mighty White t-shirts beat Blazing Blue t-shirts and jumpers 3-2!

Thank you to everyone who attended this week's Secondary Transfer Meeting. If you are interested in Evelyn Grace, please join the virtual meeting on Tuesday at 4:30pm.

# ART Competition

We are giving Stockwell a makeover! I have 6 large and 6 small canvases for display and I would like you to share a design to be painted on to them. Also, our long-armed sculpture (by the office) is looking a bit worse-for-wear. How would you spruce him up?

*Please make sure there is no boring white background left and no words!*

*This is what he currently looks like! He has seen better days! 😊*

*I would like a 3D elements to this design.  
Could something pop out of the canvas?*
