Dear Parents and Carers,

We will be hosting a workshop about Google Classroom for parents and carers on the 30th of September at 3.45pm.

This will be an opportunity for you to get familiar with Google Classroom as well as finding ways to support your children when completing their homework.

The workshop will take place in the Computing Suite here at Stockwell Primary. There is no need to bring any electronic devices in order to participate.

All you will need is an Google email account (Gmail), which you can sign up for for free.

Please complete the following Google Form to secure a place:

Please note, there are limited spots so please reserve a place as soon as you can.

Sincerely,

Mr Serra
Computing and KS1 Phase Leader
