

Stockwell Primary School and Children's Centre

Achieving excellence together

Friday 15th October 2021

Dear Parents and Carers,

I am writing with an update about After School Club and Enrichment Activities.

I am aware that a number of parents are looking forward to the return of the full after school club and enrichment programme provision. We have been working hard to get this in place as quickly as possible and, unfortunately, I now have to inform you that we are going to be unable to start this straight after October half term.

We have been working to recruit playworkers, but there has not been enough interest in the role. We have therefore been unable to find enough staff to supervise the children and, as a result, cannot restart the extended provision as soon as we were hoping to. We are currently looking at alternative structures and ways of staffing the after school clubs. We are also readvertising.

We are very aware that the community needs the after school club to go on until 5:45pm and are seeking to be able to provide this service as quickly as we are able to do so. We aim to get the full after school club programme in place as soon as we can fill the roles.

Thank you for your patience and understanding.

I will be in touch with an update after the half term holiday

Yours sincerely,

Zenia McIntosh
Acting Head of School
