

Stockwell Primary School and Children's Centre

Achieving excellence together

Thursday 21st October 2021

Dear Parents and Carers,

Re: Christmas Card Project!

This year, Stockwell Primary are participating in the School Christmas Card Project, which is back by popular demand! If you would like to participate, your child will create a festive artwork and you have the opportunity to order your child's design printed on cards, labels, wrapping paper etc.

Please note that participation **is not compulsory** and also that the cards are not printed with a 'Christmas' message as standard (the inside of the card is blank). This means that even if you do not celebrate Christmas, but you would like to have personalised cards for other events or purposes, you can. Unfortunately, this applies to cards only. Placemats and other products come with a Christmas border.

The prices are listed on the order form below. Please return this, along with your child's design template sheet. To make the process simpler, all payments must be paid up front, online, through Scopay. The deadline for artwork, orders and payments brought to school is **Thursday 4th November** as the products need to be printed and ordered in plenty of time for the holidays. All profits raised will be used to buy games for the children to enjoy.

For more information about the project or for pictures of samples of the items, you could visit the website:

<http://www.schoolchristmascardproject.org.uk/>

Yours sincerely,

Ms Grace Thomas,

Art/DT Subject Leader

Child's name: _____

Child's class: _____
