## Our Weekly Update

This week saw the first of our coffee mornings. It was a lovely, informal way to get to know more parents and to find out some of the questions that the parent community have about the children's learning. Among other things, we discussed homework and how to help parents with working with their children at home. We will be working with the teachers to ensure that homework is correctly formatted so that it can be completed easily in Google Classroom. There will be more of these coffee mornings after half term, and throughout the rest of the year, so please keep an eye on your emails and your calendars for further information. We would love to see more of you at the next one. We are loving having parents back onsite and in the building, so we will also be starting drop-ins after half term.

Next week, we are hosting parent consultations for parents and carers across the school. These are taking place on Wednesday 20th and Thursday 21st October. Early years consultations will take place in the classrooms, years 1 and 2 will be in the blue hall; years 3 and 4 will be in the red hall, on the first floor; and years 5 and 6 will be in the yellow hall, on the top floor. If you haven't yet made an appointment to see your child's teacher, it isn't too late. Send us an email and we will arrange a slot for you. We are keen to see the parents and carers of every child in the school.

Yesterday, Mr Serra and Ms Jezewicz hosted our Parent Phonics Workshop. The feedback from this has been overwhelmingly positive, with parents saying that they found it very helpful. We will be running more workshops throughout next term and hope that more of you can attend so that we can help you to support your children at home.

We are also keen to restart trips and are in the process of booking these for after the half term holiday. We have already had a number of workshops, but we are looking forward to taking the children out on visits to deepen their understanding and enrich their learning experiences. We will be looking for parent volunteers to support with this, so please let us know if you would be interested.

Have a wonderful, restful weekend everyone and I will see you on Monday ready for the last week of term.

Zenia McIntosh, Acting Head of School

# MacMillan

Thank you to everyone who came to our MacMillan Afternoon Tea. We raised an amazing £425 for this wonderful cause. It was great to see so many people enjoying the wonderful weather, while wearing green and purple. Your support was fantastic and we are very proud to have made such a wonderful donation.

Last year, we participated in a competition to design stamps that celebrated Covid Heroes. Unfortunately, with over 600,000 entries, none of the entries from Stockwell were chosen by the Royal Mail. However, we were sent a certificate to celebrate our efforts, which have been recognised as an actual world record!

# Guinness World Record

October 7th was National Poetry Day. We encouraged the children to write poems at home and share some of their favourites with us at school. Here are some poems that were written by children in Year 2.

Azariah, 2A

One day we went to sea in a sieve  
We went to sea to go to tea with  
Our friend Ned.  
Suddenly there was a thrashing  
Storm and we thought our heads  
Were going to explode with all the crashing  
and bashing.  
Instead of going to tea with Ned we  
Went to the bakers instead.

Eliza, 2A

The children in the Hub have been working hard on completing their Elmer the Elephant books. They have created art work inspired by the original text. The children continue to enjoy the range of activities namely 'bucket time', making books and socially interacting with each other as they complete the tasks.

## The Hub

# EYFS

This week the children were identifying and naming shapes and colours. We also done science experiment with the whole group called lemonade fountain.

Over the last 2 weeks in Nursery we had a few food-tasting sessions, followed by cooking and creative activities. We tasted exotic fruit from the story *Handa's Surprise*, exploring its texture and smell. Then we made a fruit salad. We also did some observational painting of pumpkins, and afterwards we made a pumpkin soup.

Last week Reception read *Fruits* –by Valerie Bloom and wrote the names of the fruits in glitter. In Mathematics, Reception made their own patterns using natural thinkers resources. Reception also learnt about the UK and Jamaica. We compared both then chose one of the cultures, drew a picture and talked about the country of choice. This week we are reading *I'm Special. I'm me!* By Brenda Burdine - RA decorated hand mirrors and drew their self-portraits - Mirror, mirror on the wall... We are special, one and all! We also talked about different things we would like to be and created our own masks.

This week 1A have been creating their own setting for an alternative ending to '*Lost in the Toy Museum*' and have then used their knowledge of adjectives to create a word bank ready to use in their retelling.

In Year 2's PSHE lessons, they have been describing their personalities. Then they got their friends to describe them as well. Can you describe your personality?

In art this week the children have been practising different techniques used to make a collage, to prepare for their final art pieces this half term.

# LKS2

Year 3 have been acting out a scene from Cinderella within their topic of play scripts. The children included adverbs to tell the actors how to speak and how to do the actions. They also focused on using body language and facial expressions to convey emotion and they had a great time doing it!

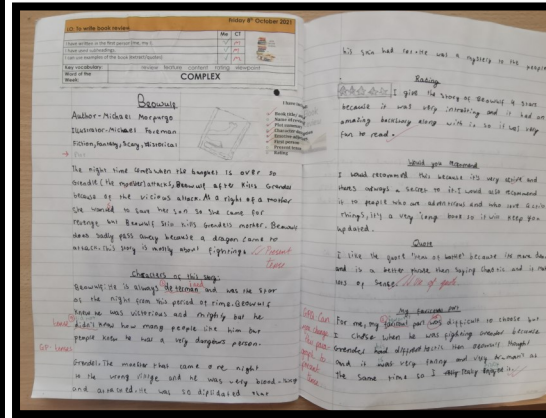

Year 4 explored sorting 2D shapes into regular and irregular shapes.

They worked together in teams to determine if the lengths of the shapes were all the same and if the angles were all the same.

They were, therefore, able to identify whether the shapes were regular or irregular.

Year 5 recently finished their topic of Beowulf. The children loved learning about this epic Danish tale of heroism. To finish the topic, book reviews were written and the children's work has been proudly displayed outside their classrooms.

Year 6 have been working on banners to accompany the wellbeing post boxes that have been popping up around the school. They are there to remind everyone that it is okay not to be okay and there is always someone to listen and help!

All of the Year 6 classes have now shared their Class assemblies with the school and their parents. While working on theirs, 6C learnt how to create, spread and maintain their happiness and the happiness of others.
