

Taking Stock

Achieving Excellence Together

Our Weekly Update

We have made some slight alterations to the beginning and end of the day in response to feedback from parents. The children in Year 1 will now enter the school through their classroom doors. The children in Year 2 should continue to use the doors at the back of the school. For all other children, the entry points remain the same. All doors and gates will close at 9:05am.

If there is bad weather at the end of the day, Year 1 should be collected from their classroom doors; Year 2 should be collected from the Blue Hall; Years 3, 4 and 5 should be collected from the Main Hall; and finally, Year 6 should be collected from the shelterer area in the Green Zone.

Home learning is up and running. If you do not have your child's logins, please let the class teacher know. We ran a very successful Google Classroom Workshop yesterday, to help parents and carers support their children at home. Thank you to Mr Serra for organising this. If you are still having difficulty with online learning, please contact your child's teacher in the first instance.

Also, if you need a device so that your child can access their home learning, please let us know as we can help you.

There has been lots of great learning taking place around the school. It has been great to welcome so many children into my office with their pieces of work. I have over the moon to see great examples of writing, maths and art that have been completed by children across the school. We can't wait to share their work with you at drop-ins, parent consultations and exhibitions.

Going forward, Taking Stock will be issued fortnightly, rather than weekly. We are working hard to improve communication and will send out letters, emails and texts as the need arises. To make sure that you don't miss vital information, please keep an eye on your inboxes for messages from the school and make sure that we have up to date contact information.

See you next week everyone!

Zenia McIntosh
Acting Head of School

Dates for your Diaries

13th October	Coffee Morning
14th October	Parent Phonics Workshop
20th and 21st October	Parent Consultations
22nd October	End of Term
1st November	INSET Day—School Closed
4th November	Reading Parent Workshop

National Poetry Day

Next week, on Thursday 7th October, it is National Poetry day. We will be taking part in this day through a whole school assembly and reading poems throughout the day. We would love for you to take part as well.

Please read lots of poems at home with your children. You could send them into school with some of the poems that you have shared together.

Do you have a favourite poem or poet? Please let us know. We would love to share some of our favourite poems with the school community.

Over the next week, please support your child with learning a poem. This is an important skill for them to learn. They will have the chance to share them in class before the end of term.

Value of the Month

Positivity

Article of the Month

Every child has the right to play, rest and take part in a range of cultural and artistic activities.

Join our Parents' WhatsApp Group!
Stay in touch with school life by joining the Stockwell Parents group.

Over 100 parents have already joined and it's a great way to get fast answers to common questions and find fun local activities.

Some classes also have individual WhatsApp groups set up by class parent reps.

LUNCH AT THE MOVIES

**Beef Burger In Bun
Or
Vegetarian Hot Dog**

**Potato Wedges, Baked
Beans & Sweetcorn**

**Chocolate Ice Cream
Or
Fresh Fruit Platter**

HOLLYWOOD

Next Thursday is our school census day when the government collects data about our school. This information impacts our funding and we would like to ensure Stockwell Primary School is in receipt of the maximum amount possible to ensure the success of the school and give our children the best possible resources and staffing. In order to achieve this, we are holding a special lunch for children to enjoy. We would love all children who are eligible for free school meals and all children in years 1 and 2 to join us for a school meal. Our KS2 children are most welcome to enjoy the school dinner too; please pay via Scopay.

Movie Day Lunch

EYFS

The Nursery children continue to build friendships. They are also developing a love for reading and starting to look at books independently.

This week in Pre-School, the focus has been the book *The Rainbow Fish*. The children have been creating their own characters from the book using playdough. Outdoors their focus was throwing and catching.

In Reception, we talked about all our families and how all families are different. We drew our families and labelled the names of each member. Our families are from different countries. We looked at different flags and we designed our own using pastels. In Mathematics, we have been learning about 2 D shapes. We used 2D shapes to create a model of ourselves and represent different parts of our body.

Year 1 had so much fun with the Black and White Planet workshop.

We thought about fantastic adjectives to describe our new planet.

During their Computing lessons, the children in Year 2 have been using an app called Scratch Junior on the iPads to explore programming. They have also been writing their own stories based on the book *Amazing Grace*.

KS1

LKS2

Year 5 have been decorating the Wellbeing post box, writing their own versions of Beowulf and completing pictorial maths!

In Year 3, in English, the children have used imperative verbs and time conjunctions to write instructions.

They linked their Wellbeing Maths to PE and measured the distance of their throws in metres, using trundle wheels.

The Year 6 children were visited by Ms. Fox and some Y8 pupils from Archbishop Tenison School to talk about all things secondary! Don't forget to apply online and on time for your child's secondary school place.

Year 4 explored the digestive system in Science and looked at why Romans wanted to invade England in History. In English, they explored the Roman myth of Romulus and Remus before writing their own.

UKS2

WEEK COMMENCING: 30TH AUG, 20TH SEPT, 11TH OCT, 1ST NOV, 22ND NOV & 13TH DEC

WEEK 1

Partners

Welcome to our business! We are a new and exciting business here to provide amazing teepee parties, by creating unique sleepover experiences for both boys and girls. We specialise in themed sleepover parties that create a fun and intriguing environment for your children, in the comfort of their own homes.

We aim to provide a pleasurable experience for your young ones, and craft memorable moments, through our wide range of themes. All children love sleepovers so what could be better than a themed one!
