

Stockwell Primary School and Children's Centre

Achieving excellence together

Thursday 4th November 2021

Dear Parent / Carers,

As school life has returned to normal, we are looking to recreate a bank of volunteers to accompany children on school trips, and possibly help in the School.

We appreciate that some of you have expressed interest in volunteering in the past, and may have had a DBS check and gone with classes on trips previously, but many things have changed during the pandemic.

If you are interested in volunteering, we would like to ask you to complete this form using this link: <https://forms.gle/kmdqT274bmWMSVmD9>

Once completed we will be in touch with details of how to get a DBS check.

Yours sincerely,

Ms. Zenia McIntosh
Acting Head of School
