Tuesday 30th November 2021

Dear Parents and Carers,

I am writing to you with an update about the arrangements for the upcoming events at Stockwell Primary School.

As you are aware, there are concerns about the Omicron variant of Covid-19, which has resulted in us making changes to school procedures to minimise risk to the pupil, parent and staff bodies. Where possible, we will go ahead with planned events. However, we have therefore made the following adjustments.

Tuesday 14th December

- 3:45pm – Art/ DT Exhibition: This will be spread out around the school to reduce the number of people in any one area. We will ensure that signage is clear so that we can direct parents and carers accurately.

For all events, the following protocols apply:

- Please wear a face mask unless you are medically exempt
- Maximum, 2 guests per household (parents / carers only please)
- All spaces will be ventilated, with windows and doors open to allow air circulation

Should the guidance change, we may have to make further amendments to the arrangements, so please check your email inboxes regularly.

Please continue to use the one-way systems in place at the front and back of the school when collecting and dropping off. Please also wear your masks at these times unless you are medically exempt.

We hope that all events will continue, while minimising the risk to the school community, and look forward to seeing you at many of them.

Yours sincerely,

Ms. Zenia McIntosh
Acting Head of School
