

Sports Premium Allocation

Over the past four years, the government has provided additional funding to help improve physical education (PE) and sport in primary schools. The funding from the Department of Education, Health and Culture, Media and Sport has gone directly to primary schools to spend on improving the quality of sport and physical education for their pupils, in ways they think most appropriate and that will have the biggest impact for their school. The sports funding can only be spent on sport and physical education provision in schools.

Impact of Sports Premium Expenditure 2020 – 21	
Pupil Premium received	£20 340
Committed Spend	£20 340
<ul style="list-style-type: none"> • CPD was received from Moving Matters to improve the quality of teaching ensuring that it is good or better • Children have access to a wide range of playground equipment at lunch times, improving their balance and coordination • Children are provided with places at after school clubs to improve their health and well-being • Access has been provided to curriculum planning and assessment documents to ensure that the delivery of the PE curriculum is effective • Raised profile of PE across Stockwell Primary School • Children receive lunchtime structured play sessions to develop their coordination and wellbeing • Play Leaders in place to support with children’s play and access to equipment at lunchtimes, improving pupil participation in active break times • All pupils participated in additional physical activity during Well-being Week.
