

# Stockwell Primary School and Children's Centre

Achieving excellence together

Thursday 9<sup>th</sup> June 2022

Dear Parents and Carers,

## Safeguarding

Please be reminded that parents should not be entering the building at the beginning or end of the day unless it is by prior arrangement with a member of staff. We have a soft-start at the beginning of the day, which allows children to do warm-up activities before the formal sessions begin. During this time, the school doors are opened so that children can make their way to their classrooms, which also develops their independence. Key members of staff are deployed around the school to support during this transition time.

Parents of children in Years 2-6 should say goodbye to their children at the external doors.

If you have a concern that needs to be raised with your child's class teacher, or any other member of staff, please put this in writing via email, or call the school. We aim to come back to you swiftly, so that problems can be resolved.

Please also ensure that collections are taking place in an orderly fashion. We know that you are keen to receive your children at the end of the day, but would like to remind you to wait patiently while the children are being dismissed.

We thank you for your support in keeping all members of the community safe.

Yours sincerely,

Ms. Zenia McIntosh  
Acting Head of School
