

# Taking Stock

Achieving Excellence Together

Friday 17th June

## Our Weekly Update

As the weather heats up, we are getting ready for a number of events around the school. Please make sure that your children have their water bottles and hats with them each day. They can refill these around the school. They should also be wearing loose clothing and have had sunscreen applied in the morning before they come to school. Please ensure that your child's belongings are named. There are lots of online places to buy name labels that don't fade in the wash. We are trying hard to match children with their missing belongings, so please bear with us.

The school has been a hive of Enterprise and Creative activity this week. There has been print making in many different forms taking place all over the school. I have also seen lots of classes getting ready for the Enterprise event, which took place this afternoon. It was brilliant to see so many children excited about their learning.

We have had some enquiries about Sports Day. The information has gone out to all parents.

- KS2 Sports Day is taking place at Evelyn Grace Secondary School on 28th June.
- EYFS Sports Days are taking place here, at Stockwell, in the morning and afternoon of 29th June
- KS1 Sports Day is taking place here, at Stockwell, on 1st July

If you are unsure which house colour your child should be wearing, please contact your child's class teacher.

Please keep an eye on your inboxes for further information about school events.

School trips are taking place. Thank you to all of the parent volunteers who have accompanied classes. Your help is hugely appreciated. Last week, Reception visited Brockwell Park and this week Year 4 have been to the Sea Life Centre on the Southbank.

Miss Thomas and Mr Serra are working hard to reduce the cost of the Year 1 trip to the Seaside. Please support them in their fundraising endeavours by visiting their stall after school on Thursday, 23rd June, next week in the Green Zone.

We are delighted to welcome our new Sports Coach Mr Coker to the team. He starts at Stockwell on Monday.

Have a lovely weekend everyone.

Zenia McIntosh, Acting Head of School

## Dates for your Diaries

22/ 23rd June	4A/ 4B Class Assemblies
23rd June	Year 3 Parent Residential Meeting
28th June	KS2 Sports Day
29th June	EYFS Sports Days
1st July	KS1 Sports Day
20th July	End of Term—1:30pm

# Pre-School

This week we have been reading the book '*Jellyfish Are Disgusting*' and the activities we have set up link with the book. The children were creating jellyfish using different materials that supported their thinking and their creative skills. These also expand on their vocabulary, as they have been learning new words.

Due to the warm weather, the children enjoyed being outdoors exploring and playing with water during most of the sessions. From next week, we will be focusing on transitions and the story will be related to the theme.

## Value of the Month

### Independence

## Article of the Week

Article 30: Every child has the right to practise their own culture or religion—or any they choose.

## STOCKWELL PRIMARY SCHOOL YEAR 1 FUNDRAISING EVENT

Help us raise funds to support our educational visit to Brighton.

Children in Year 1 are learning about the seaside this term and to consolidate all the exciting things we have been learning about, we would like you to help us raise money in order to facilitate with the trip costs.

Please join us on the **23<sup>rd</sup> of June** at 3.30pm in the Green Zone! We will be selling lots of goodies – everything 50p!

3:30pm – 4:00pm

# Attendance and Punctuality

## Whole School Attendance Percentage

Week beginning 6<sup>th</sup> June 2022

**95.7%**

Class	%	Key Stage
Rec. B	93.2	Foundation Stage
<b>Rec. A</b>	<b>98.0</b>	
Year 2B	93.3	Key Stage 1
Year 1B	93.5	
Year 2C	93.8	
Year 1A	96.8	
<b>Year 2A</b>	<b>99.5</b>	
Year 3B	90.4	Lower Key Stage 2
Year 4B	91.0	
Year 3C	94.8	
Year 3A	96.2	
<b>Year 4A</b>	<b>98.9</b>	Upper Key Stage 2
Year 6C	96.0	
Year 6A	96.5	
Year 5A	96.9	
Year 5B	98.3	
<b>Year 6B</b>	<b>98.3</b>	

Well done to 2A who had the best attendance with 99.5%.

There are lots of nasty colds and bugs around at the moment. Well done for the great effort at being in school. Let's see if we can get back up to 96%.

### English:

We will introduce the 'Cat in the Hat' story book, as our focus is to re-enact the story and produce a poetry book.

### Maths:

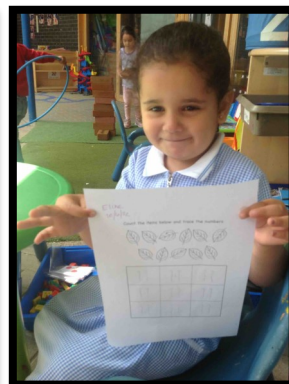

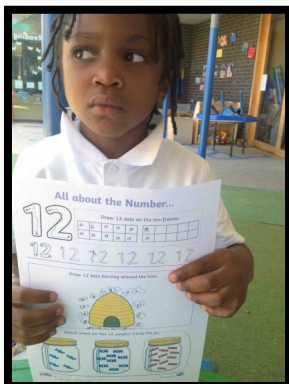

We will get the children to explore sharing, using concrete objects, as a visual representation.

### Word of Week:

Funny

# Inclusion Hub

# Nursery

The Nursery core book is *'Oliver's Fruit Salad'*. The children have been encouraged to look at different parts of the story, retell and write about different parts, as well as using their own imagination to start or end the story.

This week the children have been getting ready for Enterprise, making fruit kebabs, and decorative fruit.

The children are thoroughly enjoying free flowing across the entire EYFS outdoor learning area, which is supporting with transition to Reception.

In Literacy, we are going to be discussing what germs are through the book *"I Don't Want to Wash My Hands"* by Tony Ross. We will carry on with our "Show and tell" sessions where the children bring an object that is special to them and explains to the class why this item is so special to them.

In Maths, we are learning about how to share equally and halve even numbers. Next week, we are going to explore the difference between even and odd numbers.

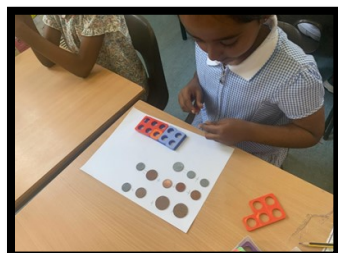

In Understanding of the World, we will continue to learn facts about different insects. We are currently building a "Bug Hotel" to encourage biodiversity in the Early Years' outdoors area. Next week, we are going to start to explore processes and changes in the natural world such as states of matter. We will be discussing different states of matter such as solid or liquid.

In Expressive Arts and Design, we will continue to explore how to use different art techniques to express our feelings and emotions. We will continue to explore techniques such as printing or collage using resources available in the environment. We are looking forward to our next school trip the 7<sup>th</sup> of July. We will be exploring the Dulwich Picture Gallery art collection.

As part of our learning in PSED, we will be discussing how to stay healthy by taking care of our personal hygiene. We will engage in different class discussions about why is important to our health to take care of our own personal hygiene.

# Reception

# Year 1

Over the next 2 weeks, in English, we will continue to explore and describe key characters and build up to writing diary entries.

In Maths, we will be moving on to explore time to the hour and half past the hour. We will be looking at some time word problems and using our knowledge of time to solve these.

During our final science unit we will be looking closely at the scientific contributions of Beatrix Potter while observing and investigating plants.

Our D.T unit will continue to explore where our food comes from and how it is made.

Throughout our Humanities learning, we will be exploring coastal defences and the story 'Grace Darling'. We will also be looking at the seas and oceans, coastal weather and coastal towns.

On Thursday 23rd June, Year 1 will be hosting a fundraiser to help send us to Brighton. This will take place from 3.30pm – 4pm in the Green Zone – everything 50p!

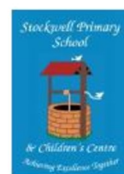

On Friday 24th June, Year 1 will be having a 'Pyjama Day'. All Year 1 children are encouraged to wear pyjamas to school along with a £1 donation towards reducing the costs for Brighton.

## STOCKWELL PRIMARY SCHOOL 'STOCKWELL SUPERSTORE' ECO REFILL SHOP

Have you thought about making a positive contribution to the environment? Our new refill shop can refill your essential supplies **every Monday** with fresh, environment- friendly washing up liquid, handwash and bodywashes.

Come along to the eco refill shop where we will be happy to refill your recycled bottles for a small price.

3:30 – 4:15

Every Monday

## FRIENDS OF STOCKWELL PTA

Get Involved!

We are always looking for volunteers to help organise and run events and fundraise for the school. If you are interested please get in touch.

[friendsofstockwell@gmail.com](mailto:friendsofstockwell@gmail.com)

In English, Year 2 will be using the class story, '*Butterfly Park*' to write a persuasive letter to encouraging the book characters to visit Butterfly Park. Children will revise their knowledge of verb tenses and different sentence openers to write their persuasive letters .

In Maths, Year 2 will explore measurement and mass. The children will look at how to use weighing scales to measure mass and they will also practise reading scales recording these measurements in grams (g) and kilograms (kg).

In Science, the children are continuing the study of biology. The children will research the key scientist for this term, Jane Goodall.

In Art, Year 2 will learn and practise their sewing skills, looking at how to make different types of stitches. They will start with blanket stitch and move onto cross-stitch, all in preparation for making puppets!

In History, the children will research and compare similarities between historical events that occurred in London and Tokyo: The Great Fire of London and The Great Fire of Meireki. In Geography, children will explore Tokyo maps using compass points and the language of direction.

## Year 2

## Year 3

In English, next week, we will be starting a new topic: 'Non-Chronological Reports'. We will explore non-chronological reports and identify their features, before writing our own reports about a rainforest animal using subheadings to group information and a range of conjunctions.

In Maths, next week, we will resume our topic 'Geometry', which we started before Enterprise and Creativity Week. We will learn to identify horizontal, vertical, perpendicular and parallel lines and describe and construct 2D and 3D shapes.

In Science, next week, we will research the scientist Elsie Widdowson by extracting key information about her area of study, findings and achievements.

In our next DT lesson, we will learn about the dangers in the kitchen and how to be safe and clean.

In Geography, next week, we will research the Amazon Rainforest. We will locate it on a map, identify the factors that make it habitable and describe the biome that the Amazon Rainforest is located in using a range of sources.

**WINNER**  
National Driving School  
of the Year

Year 4 have enjoyed learning about, and creating advertising during, Enterprise week. Next week, we will begin exploring the fiction story 'The Last Wild'.

**Word of the week:** globe

We have learned about budgets and features of a payslip during Enterprise week. Next week we will be starting our unit on shapes, looking at types of triangles, quadrilaterals, and lines of symmetry.

**Word of the week:** rectilinear

Our new Science topic this term is States of Matter, which the children began investigating through their water cycle homework. Next week, we will continue our learning by classifying materials as solids, liquids, or gasses.

**Words of the week:** objective

This term, in DT, we are continuing our theme of Saving Our World by looking at sustainability. We will be learning how to sew and making our very own bags for life!

**Words of the week:** reuse

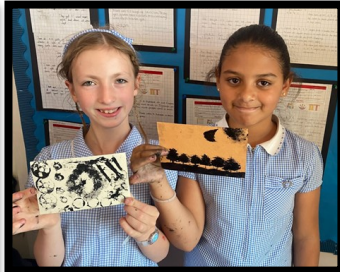

Next week, year 4 are delving into how the Industrial Revolution changed what work people did, how it changed London, and what life would have been like for a child labourer during the Industrial Revolution.

**Words of the week:** reason

## Year 4

# Year 5

Next week, the children will be creating a narrative based on our class book '*Millions*'. Children will write a story with two main characters who find something in their local area.

Next week, in Maths, we are looking at shape. Children will look at symmetry, reflection, translation and rotation of shapes on a grid.

Next week, in Science, we are looking at mixtures and solutions. Children will learn how to practically sort a mixture into separate solids and also how to remove solids from solutions.

Next week, we will start our DT project. Children will look at packaging and the properties of this and begin to understand how different materials are chosen and how the packaging is designed.

In Humanities next week, children will be having their first trading session on Wednesday. Children will use our class currency to trade items they have made within their business.

In English, we will begin to look at *The Lady of Shalott* and explore themes and topics around the poem.

Next week, children will use all they have learned in mathematics to investigate how the subject links to fields outside of the expected, such as design and architecture.

The children will continue to look at how our bodies work and investigate the circulatory system in Science.

In Art, the children will be designing, making and preparing props and costumes for their end of year production.

In Humanities, the children will continue to link their topic of Survival and the Titanic.
