Class of 2022

Our Weekly Update

And with that, we have finished another year at Stockwell.

This week, we held our Year 6 Prom, our Year 6 Leavers' assembly and our final concert of the year. What a busy week.

We said goodbye to our leaving staff in style today, at our end of year Leavers' Assembly. We would like to thank Mrs Akinmade, Mrs Kennedy-Brown, Ms. Hesel, Ms. Street, Ms. Atkinson, Ms. Stacey, Ms. Fran and Ms Ana (who is going on Maternity leave) for the support and dedication that they have shown to the children of Stockwell during their time at the school.

To all of the staff at Stockwell, thank you for your hard work this year. The children have done brilliantly in their formal assessments. This is due to the hard work of the teams across the school and we are grateful for their efforts.

We are looking forward to building on our successes next year and will be welcoming you back from Thursday 1st September, when children in Years 1-6 start school. Pre-school, Nursery and Reception Stay and Plays will be taking place on Thursday 1st and Friday 2nd and the children start school from Monday 5th September.

We received a generous donation of vouchers for our Reception children from Clarks shoe shop. This was made possible by Rashida Taylor and Remi Sade, who worked with Clarks and author Candice Braithwaite, on a project about children's first steps. Remi and Candice donated their fees to local Lambeth schools, as this is where they went to school. We received 36 vouchers for £50 each, which Reception parents can use towards new shoes. Thank you very much for this amazing donation.

Look out for information on the Meet the Teacher sessions, which will be taking place in September.

All that remains is for me to say have a wonderful summer. See you in September.

Zenia McIntosh, Acting Head of School

Dates for your Diaries

1st September	Term Begins for Years 1-6
1st and 2nd September	EYFS Stay and Play Sessions
5th September	EYFS children start school

Pre-School

Preschool have enjoyed their last week of fun activities and we look forward to seeing most of them in September and wish our 6 leavers the very best in their new nursery chapter.

Summer CAMP'22

This summer break we want to continue providing support during the holidays so that you can enjoy the best time possible with your family!

Sign up for your summer support pack here:
www.witherslackgroup.co.uk/summer-camp22

Summer Camp support pack is returning again this year to continue offering advice and support to parents and carers over the six-week break.

By signing up you will be given access to a huge library of resources including videos, podcasts and downloads. You will also be emailed fun activity sheets for your child to enjoy over the holidays.

Here's what topics you can expect to be covered:

- Top tips for going on holiday
- Managing sibling relationships
- Sleep support
- Helping a child in crisis
- Managing anxiety
- Changing routines
- Activities for building social and motor skills
- Creating fun adventures without the price tag
- Activities for primary/secondary aged pupils
- Managing anxiety around exam results

Everyone who signs up will be emailed a link so that you can easily access the support materials at the click of a button.

Summer Support

Inclusion Hub

The children have thoroughly enjoyed accessing the Inclusion Hub facilities: the Sensory Room, the Art Room, the Sensory Garden, where they have learnt through the use of story books, visuals and 'hands-on' activities. We wish our children an amazing break and look forward to seeing them all in September for another exciting learning experience.

Lambeth Council's Summer of Food and Fun promises to be a packed programme of exciting activities for children and young people on free school meals from Monday, 25 July to Friday, 26 August.

Search and book activities on offer in the following categories: adventure playgrounds, creative arts and music, libraries, dance and drama, cooking, indoor and outdoor sport, play and leisure and so much more!

lambeth.gov.uk/summerfoodandfun

#HAF2022

Funded by the Department of Education, the programme supports young people in receipt of free school meals and others in need during the summer break.

Summer of Food and Fun

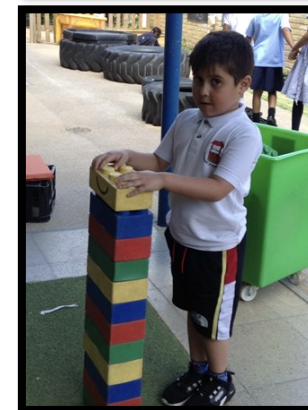

Nursery

Physical Activity is an important part of learning . Children are encouraged to explore their gross and fine motor skills. During independent learning as well as Sports day, children achieved their full potential as they had to adjust their speed, follow rules and do their activity in a given time.

Enterprise day was another glorious event where children were given the opportunity to develop their entrepreneurship using their skills for life. They designed papier-mache fruit and butterflies, along with fresh fruit skewers and slushies, which were sold at the Enterprise Fair. We hope you had one and enjoyed it.

Celebrations of children as well as staff are essential for everyone. We were joyful to celebrate MS Adric's birthday and the end of year party, which will give children beautiful memories for the future and a sense of community. Growing, taking care of nature and respecting living things was another highlight in Nursery this year. Children grew their own bean plants. Some kept their plants in school and some took their plants home and continued caring for them.

This year we have learnt how to read and write sentences using our phonics phonemes, digraphs and trigraphs. We have learn to solve basic addition and subtraction problems as well as learning all about shapes and patterns.

Our favourite Topic this year was 'Beautiful Beasts' Because we got to explore in nature to see what habitats our favourite minibeasts live in. We also got to learn about lots of different types of bugs and insects. The school trip to Brockwell Community Gardens deepened our understanding of the topic and was an amazing day out for everyone.

Our highlight of the year was the Christmas party, when we all got to celebrate the festive season together and create cards and gifts for our different friends within the class.

Next year, we are looking forward to learning lots of new things and building upon the skills we have acquired this year and to keep making friends as we travel up the school.

Reception

Year 1

This year we have learnt all about Toys from the past, the first successful flight and lots of inspirational female pilots. We have also compared British seaside towns from the Victorian days up until now, and have learnt lots about marine biology and classifying animals and plants.

Our favourite Topic this year was 'At the Seaside!' because we enjoyed learning about the Victorian times. We went to Brighton to see the modern seaside and its features like the pier and promenade.

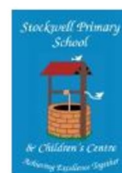

Our highlights of the year were our school trips, to Pizza Express, TATE Britain and especially Brighton. We also really enjoyed our learning songs and practising for our class assemblies. Next year, we are looking forward to learning about new topics, more maths and having another Sports Day.

STOCKWELL PRIMARY SCHOOL 'STOCKWELL SUPERSTORE' ECO REFILL SHOP

Have you thought about making a positive contribution to the environment? Our new refill shop can refill your essential supplies **every Monday** with fresh, environment- friendly washing up liquid, handwash and bodywashes.

Come along to the eco refill shop where we will be happy to refill your recycled bottles for a small price.

This year we have learnt about the great fire of London, Tokyo, and followed different explorers around the world. We *have looked at books such as Amazing Grace and Katie in London* and discovered ways to write our own interesting stories. Our favourite Topic this year was History, The London Walk where we went on the river cruise. This was our favourite because all of us from year 2

travelled by bus to the London Eye pier where we boarded the boat. A man gave us a brief History of all the London Landmarks that we passed. It was refreshing to hear about some of the History we studied in class especially about The Great Fire of London

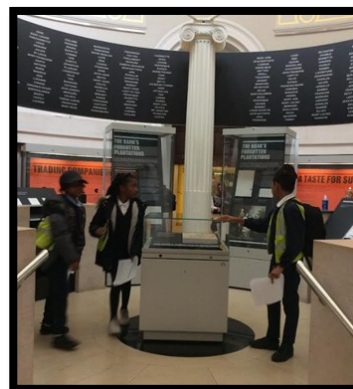

Our highlight of the year was visiting Central London and taking a boat ride down the River Thames. We saw different landmarks, including St. Pauls Cathedral, which we learnt about when we did the Great Fire of London

Next year, we are looking forward to going to year 3 where we will doing more creative stuff and working at harder at our learning.

Year 2

Year 3

This year

we have learnt about Ancient Civilisations, World War II and Rainforests. Our favourite Topic this year was Rainforests. It taught us a lot about the animal kingdom and how we should save animals and think about what we are buying. This is because most things can contain palm oil which comes from the rainforest which is destroying them. When we were learning about the Amazon Rainforest, we realised that we have to save the rainforest by growing more plants.

Our highlight of the year was our trip to the Bank of England Museum.

Next year, we are looking forward to going on more school trips and going swimming.

SCHOOL'S OUT

BRIXTON

MONDAY 25TH JULY – FRIDAY 26TH AUGUST

Summer holiday dates

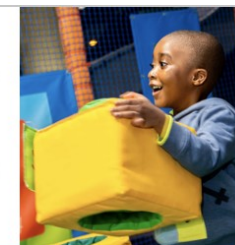

Wk1: 25th July – 29th July

Wk2: 1st Aug – 5th Aug

Wk3: 8th Aug – 12th Aug

Wk4: 15th Aug – 19th Aug

Wk5: 22nd Aug – 26th Aug

HOLIDAY CLUB (5-12 years)

Monday – Friday 09:00 – 17:00

A fun packed, multi activity holiday offering high quality care with an emphasis on FUN. We aim to do more than just keep the children occupied with a wide range of activities that offer something for everyone! Children will also have the option of swimming if they are competent swimmers. Children should wear comfortable clothes and trainers to maximise interaction. Please ensure that your children have a packed lunch full of healthy foods (not to contain nuts as an ingredient, sugary sweets or fizzy drinks), as we have no café facilities, and ensure they have plenty water.

Due to the play scheme's Ofsted registration, we can only accept children from the 1st September following their 5th birthday (school year 1 onwards).

Cost per day

Standard £20.40
Concessionary £16.40

Cost per week

Standard £102.10
Concessionary £82.15

Early drop off and late pick up collection (8.00–9.00am / 5.00–6.00pm) available for an additional £2.25).

If you would like your child to also attend our Swim School our staff can take them and collect them from their lessons.

LESSONS AND COURSES

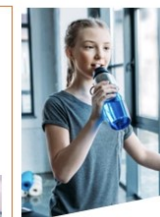

8th – 12th Aug and 15th – 19th Aug

Our 5 day short courses are a great way for children to be introduced to a new activity, or of you wish to have some intensive lessons to work on specific techniques.

Foundation: 9am-9:30, 9:30-10am & 10-10:30 (Teaching Pool)
Red, Amber & Green.

Cost:

Standard £31.00
Concessionary £22.55

JUNIOR GYM (8-15 years)

Monday – Friday:

10:00 – 14:00

Saturday & Sunday:

10:00 – 14:00

Our Community Gym or Level 6 Gym will be open specifically for

POOL INFLATABLE SESSION

Monday, Wednesday & Friday 14:30 – 15:30

Our pool inflatable course is set up in the main pool during the holiday periods. Suitable for children who can swim 25 metres unaided and are 8 years and above.

Cost: Members £2.30. Non Mem £3

SWIM FOR ALL SESSIONS

Lagoon pool 10:00 – 15:50

Teaching pool 11:00 – 15:50

All activities can be booked online better.org.uk/Brixton, through the BETTER app or in person.

Brixton Recreation Centre, 27 Station Road, London, SW9 8QQ.

of the Year

This year we have learnt how to be resilient learners, using a growth mind set in all we did. This was aided by the use of CUES- a new NHS wellbeing programme designed specifically for Year 4 children. Have you seen our workbooks to go with this learning? Our favourite Topic this year was saving our world because it allowed us to understand how small changes- both good and bad-can have a huge impact on the planet. As a result of this, we have been able to raise awareness and take our learning home with us and apply it.

Our highlight of the year was our school trips! We managed to go on 3! We visited the Science Museum, The London Aquarium and Ritzy Brixton. These trips allowed us to take learning outside the classroom and fully immerse ourselves into our topic. Next year, we are looking forward to our Windrush topic because we celebrated Windrush Day on June 22nd and can't wait to learn more about it.

Year 4

Year 5

This year we have learn about so many things. Windrush, Microsocieties, Beowulf, poems, angles, fraction, decimals, percentages. The list goes on. We are so proud with the progress the children made. We can't wait to see them progress next year after a summer of fun. Please make sure your children are practicing key skills over the holidays. Little and often.

Our favourite Topic this year was Windrush Because we loved learning about our local area's history as well as the history of many of our grandparents. We also enjoyed comparing the UK to the Caribbean as well as out exciting focus books we studied. Our highlight of the year was our school trip to the Museum of London where we watched a shadow show all about life through the ages linking to our time travellers topic. We also were able to handle artefacts from the stone age, ice age and bronze age. Next year, we are looking forward to...

Being top of the school, exploring our learning in greater depth and having the chance to be the role models of the school. We are also looking forward to our SATs because we have a growth mindset and know we can do anything we put our minds to!

This Year we have learnt stories, punctuation and grammar. We revised maths and our top tip is to ask for extra work and never stress!

Our favourite topic this year was Survivor Because it was cool to learn about natural disasters and the people who experienced them.

Our highlight of the year was PROM! Sayer's Croft! Chessington! Next year, we are looking forward to meeting new friends in secondary school.
