

JEANS FOR GENES

Thursday 8th September 2022

Dear Parents and Carers,

Stockwell Primary School will be taking part in this year's **Jeans for Genes Day on Monday 19th September**.

1 in 25 children has a genetic disorder that makes their life very difficult. That's like one in every class. By wearing our jeans and donating, we will change the lives of these children.

All children and staff are invited to wear their jeans on **Monday 19th September**. We'd like everyone to take part so please encourage your child to come into school on the day wearing their jeans and their **Stockwell jumper**. They should also bring in a £1 donation, which will be collected at the gates. Donations can also be made online through Scopy.

Jeans for Genes Day have a series of powerful 5 minute films to explain how your child's donation will make a difference. Each film provides a compelling and personal insight, introducing some amazing children living with genetic disorders, sharing first-hand what life is like with their condition. Please visit jeansforgenes.org/schools for more information and to view these films.

If you'd like to find out more about how your support will help, please visit their website at jeansforgenes.org

Yours sincerely,

Ms. Z. McIntosh
Acting Head of School
