Our Weekly Update

We have arrived at the end of the Autumn term, the longest term of the school year.

In the last two weeks, we have had the Winter Fair, organised by the PTA. This was a huge success, raising over £1400, all of which, will go back towards the children of the school. A HUGE thank you to the members of the PTA for organising this and working so hard for the benefit of our children and community. The PTA also organised the Secret Santa appeal, which provided £53 for some of our families, to help them at Christmas. Ms Thelma has also been working with a local charity, to organise donations of groceries for families in the school.

Christmas Jumper Day raised over £140, which will be donated to Save The Children. It was wonderful to see staff and children alike in their festive best. We also held annual Christmas lunch, which the children described as 'The Best Lunch Ever!'

KS1 and EYFS performed in their winter plays. KS1 performed Operation Christmas and the EYFS showcased The Bossy King. Pre-School held a wonderful Singalong for parents and carers. It was delightful to see our youngest learners performing for the parents. There will be more opportunities for you to come in and see the children perform in the Spring Term.

This week, we hosted our end of term Art and DT exhibition, which a number of families visited. This is a chance for parents to see the creative endeavours of children across the school.

Today we say goodbye to Mrs Walker, and Mrs Meredith. We wish them the very best of luck for the future. Mrs Fraga will continue to oversee Inclusion, and will work even more closely with parents and children as she takes on the role of SENCO for Stockwell. Ms Rushna has been appointed as the Team Leader for Pre-School—congratulations!

Mrs Fraga and Ms Priscilla have been working hard to organise the clubs offering for the Spring term and you should have received the information by email earlier today. WE are delighted to be offering such a wide range of clubs. Booking will go live on Friday 16th at 1pm.

I would like to take this opportunity to thank all of the staff at the school for their hard work over the term. Their efforts, and willingness to go the extra mile, are appreciated.

Have a wonderful, restful holiday everyone.

Ms Zenia McIntosh, Acting Head of School

Dates for your Diaries

	Children return to school
4th January 2023	Pre-school and Nursery stay and play (closed to existing children)
	Phonics Parents workshop
5th January 2023	Pre-school stay and play (closed to existing children)
	Nursery children return
6th January 2023	Open Morning
12th January 2023	Writing Parent Workshop
13th January 2023	Open Morning

Winter Fair

What an amazing end of term this has been! On Friday the 2nd of December, our school hosted just another spectacular event – The Winter Fair.

It was a pleasure to walk around the green zone and seeing all the festive decorations, delicious food, warm drinks, the exciting ride, our sensational band and so many other thrilling things.

The smiles on the children's faces when they visited Santa in his grotto were really heart-warming.

One of the most astonishing parts of the Winter Fair was when people won the raffle tickets challenge. The prizes were marvellous and from out of this world.

Everybody was flabbergasted by the remarkable Christmas tree and Winter decorations around our school.

We all had a great time and we hope we can have more incredible moments like this very soon.

Produced by the Digital Leaders

Lettings

We let space around the school.

You can hire the school hall, and grounds, on a regular basis or as a one off.

Need a space for a party?
Looking for a pitch for your team?

Contact the school office on:
clericalofficer2@stockwell-pri.lambeth.sch.uk
to make an enquiry.

Value of the Month

Appreciation

Please remember that everyone in our school community deserves to be treated with respect. While we may have differences of opinion, it is vital that we continue to communicate effectively with each other. Breaches of conduct towards staff, children or other parents may result in the school taking further action.

Need to get in touch? Contact us in the following ways: www.stockwell-pri.lambeth.sch.uk

Parents Phonics Online Workshop

Pre-School

This week, the Pre-School children had their Christmas singalong performance. Children enjoyed the performance and showed great confidence. We also had our graduation for the children who will be transitioning to nursery and we wish them all the very best in their next journey. We also had small Christmas party with a surprise visit from Santa with the children's Pre-School gift. We would like to end this year by saying a very Merry Christmas and Happy New Year.

Achieving Excellence Together

Writing Parents Workshop

Nursery

In Literacy, we are going to focus on our key text, 'Giraffes Can't Dance'. The children will be encouraged to engage in conversations about the story which will allow them to learn new vocabulary.

In Maths, we are going to be learning how to count to 10, using our fingers.

In Understanding of the World, we will learn to use a wide range of vocabulary to describe what we can hear around the school. In Expressive Arts and Design, we will be creating our own class song using different instruments.

As part of our learning in PSED, we will learn how to be more confident in new social situations. The children will also take part in a class talent show.

Next term in Literacy, the children will be transported to different worlds such as Antarctica, Space and the Jurassic period to name a few. On our first week back, we are going to travel to the savannah to see the different kinds of animals that live there and read the book 'One Day on our Blue Planet in the Savannah'!

In Maths next term, we are starting off by consolidating the children's knowledge of 5. We will re-introduce zero, compare numbers to 5 and explore the composition of 4&5. In Understanding the World, the children will be researching nocturnal and diurnal animals and using this as a stimulus to talk about their own sleep routines.

In our first week back, we are going to think about screen time and how it impacts us. We are going to think about all the positive and negative ways in which it affects us and write up a list. We are going to agree on how much screen time we should have each day and why it might be bad for us to have too much.

Reception

Year 1

We performed *Operation Christmas!*

We sang beautifully for our adoring audiences!

We had fun at our class parties!

We built a snowman!

For our next fiction topic in English, we are going to be looking at Oliver Jeffers story 'The Way Back Home'. In Maths, We will begin to explore the numbers up to twenty.

Next term in Science, we will start looking at our new topic of Light and Dark and research our key Scientist Annie Easley.

In Art, we will be starting a new topic of painting and looking for inspiration from famous artists.

We are going to be introduced to our new topic 'Taking Flight'.

Next term, we will explore the features of traditional tales through the story of 'Anansi and the Sky God'. We will continue to develop use of correct punctuation, adventurous expanded noun phrases and consistent use of tense.

In Maths, we will look at money. Children will identify the value of different coins and learn how to use the symbols for pounds and pence correctly.

In DT, our focus next term will be on the properties and uses of everyday materials. Children will identify the materials used to make everyday objects and consider that material's suitability.

In Art, we will look at painting and how to create different effects using various techniques.

Our topic next term will be the Great Fire of London. In Geography, the children will begin by looking at a range of different maps and discussing their key features. In History, children will use a range of sources of information to investigate how the fire started and how it stopped.

Year 2

Year 3

In English next term, we are focusing on the World War 2 text 'Friend or Foe'. We are exploring evacuation and will be writing diary entries as evacuees.

In Maths, we will be carrying on with multiplication and division, we will be starting to look at multiplying 2-digit numbers by 1-digit numbers.

In Science, we are carrying on with our topic of forces, focusing now on magnetism.

In Art and DT, we are looking at sketching, and we will use sketching techniques to help us sketch London landmarks.

In History, we are starting our new topic of World War 2, we will be looking at the Allied and Axis Powers in the war and the effect of The Blitz.

PINES AND NEEDLES Premier Christmas Tree Services

Next term in English, the children will be completing the 'Imagine a story project'. This is a creative writing project where children will be contributing to a collection of short stories,

alongside their classmates, that will be professionally published.

Next term in Maths, we will start with multiplication and division. Children will learn factor pairs for numbers and then move onto formal methods of division and multiplication.

Next term in Science, we will study electricity. Through research and investigations children learn to identify common appliances that run on electricity, construct a simple series electrical circuit and identify and name basic parts, including cells, wires, bulbs, switches and buzzers. Next term in Art, Children will be finding out about the artist David Hockney, looking at a selection of his works and making observations and responses to his style of painting. Children to work towards creating their own version inspired by his famous landscapes collection.

In Humanities next term, children will carry out a case-study of Peru. We will make comparisons to Peru and the UK as well as looking at Paddington Bear and the London Underground System.

Year 4

Year 5

In English, we explored narrative poetry inspired by *The Highwayman* and wrote our very own poems. Next term it's all about the HMT *Windrush*.

In Maths, we have been rounding off fractions by putting our learning to use in the context of food and stories. Next term it's all about multiplication.

In Science, we did an amazing investigation looking at shadows and the moon. Next half term it's all about forces.

In Art, we drew beautiful Viking boats and developed our skills over the year.

We rounded off an amazing term of topic with a trip to the Horniman museum.

Next term, we will be exploring the Caribbean and the

Experiences of the *Windrush* generation.

Next term, we will start our new topic of *Route 66* and look at the story of 'The Watertower' to write our own suspense stories.

In Maths, we will look at ratio and link this to our understanding of fractions as well as look at measure.

In Science, we will look at light and how it travels to enable us to see.

In Art, we will begin to look at Norman Rockwell and his influence on American art.

We'll study *Route 66* and the states of American which it travels through and look at the human and physical geography of the areas.

Year 6

Pupil Voice

Q1) What are house captains and how many houses are there at Stockwell Primary School?

Sharon & Rwoh'n – The house captains are students that take care of houses and show new people around the school. There are four houses: Blue Kingfishers, Red Robins, Yellow Canaries and Green Woodpeckers.

Q2) Why did you decide to become a house captain?

Sophia & Hania - We were nominated by our teachers because we are responsible pupils and we are role models to our class and peers.

Q3) How does a house get points?

Kyree & Saratu – We get house points by following the school rules and our teacher's instructions and also for helping the teachers with small jobs around the school.

Q4) What is your favourite part of being a house captain?

Fatima & Siadi – What I like the most is being a role model to so many pupils in our school and showing visitors around.

Q5) What tasks do you have to complete within your role?

Hania – Rwoh'n – Some of the tasks we do are: showing adults the school and going around collecting house points and obviously showing respect to everybody even if they do not belong to our house.
