Our Weekly Update

On Thursday, Ms Kelleher hosted our annual Year 6 SATs parent meeting. This was well attended and the feedback has been overwhelmingly positive. If you have not yet received the slides, please contact the school office and they will be sent to you. We also held our Writing parent workshop and drop-in. There were parents in nearly every classroom enjoying sessions and finding out more about how to support children at home. Thank you to everyone who has come along to our school events.

There has been a lot in the news about the upcoming strikes. We will be **closed on Wednesday 1st February** due to the industrial action. Based on the information that we have about the number of teachers striking, it would not be safe to open. We appreciate how inconvenient it is that school will be closed and can assure you that this decision has not been taken lightly. We will update you about future dates as the situation evolves.

We sent out our parent survey and the feedback has been overwhelmingly positive. 91% of families notice that this school makes improvements for the benefit of the children, of which 25% strongly agree with this statement. 98% of families believe the curriculum offered to the children is broad and balanced, of which 18% strongly agree. 96% of families believe the school provides opportunities that help their child to learn, of which 32% strongly agree. It is brilliant to have such strong support from the parent community and we will continue to focus on developing further. Thank you to everyone who contributed to this.

If you are sending your child to school with a packed lunch, please ensure that this is healthy. Please make sure that your child has a balanced lunch including fruit, vegetables, carbohydrates (e.g. pasta, bread, rice, potato), and protein (e.g. chicken, egg, cheese, beans, tofu, Quorn). Cakes and biscuits are allowed, but please limit these to one per day. School lunches are a great option

Starting today, we will no longer be using the side gate at the front of the school. Please enter and exit via the gate in the courtyard. The safest point of entry continues to be Burgoyne Road, which is a school street. We encourage you to use this entrance.

Next Friday, 10th February, is Love and Friendship Day. We would love for all of the children to come in wearing red, for a £1 donation. There will also be a cake sale after school. Don't forget your baked goods and your spending money!

Have a brilliant week everyone.

Ms. Z. McIntosh, Acting Head of School

Dates for your Diaries

Wednesday 1st February	School Closed—Industrial Action
Thursday 2nd February	Year 3/4 Multiplication check workshop
Monday 6th February	Year 5 Trip to Rum Kitchen—Group 1
Tuesday 7th February	Year 5 Trip to Rum Kitchen—Group 2
Wednesday 8th February	Reception Class trip to Vauxhall City Farm
Friday 10th February	PTA Friendship Day

Lettings

We let space around the school.

You can hire the school hall, and grounds, on a regular basis or as a one off.

Need a space for a party?
Looking for a pitch for your team?

Contact the school office on:
clericalofficer2@stockwell-pri.lambeth.sch.uk
to make an enquiry.

Value of the Month

Patience

Please remember that everyone in our school community deserves to be treated with respect. While we may have differences of opinion, it is vital that we continue to communicate effectively with each other. Breaches of conduct towards staff, children or other parents may result in the school taking further action.

Need to get in touch? Contact us in the following ways: www.stockwell-pri.lambeth.sch.uk

Telephone: 020 7274 7687

YEAR 3 & 4

Multiplication Check Workshop

Thursday 2nd February
9am
Main Hall

Do you know about this assessment for children in Year 3 and 4?
Does your child know the times tables? Not sure how to help them prepare? Let Ms. Thomas, our Maths lead, explain what is included in the test, how it will work and how best to help your child become confident recalling all the times tables!

Please email the office if you would like to attend this meeting.

clericalofficer2@stockwell-pri.lambeth.sch.uk

12 x 4	= 48

Year 3&4 Multiplication Check Workshop

Pre-School

This week, the children have been listening to the story 'Naughty Bus'. The activities were set up linking to the story to support the children's Maths, Language and Physical Development.

The children have been doing lot of junk modelling to create a bus by painting together as a group. This has been developing their fine motor skills and helped with their social skills and friendships. The children have decorated biscuits to create a bus. This adult led activity supported the children with understanding and following simple instructions. It helped them learn new words to extend their vocabularies.

The children also used different construction blocks to count from 1-5 in a sequence.

They used their imaginations to create different structures.

In Literacy, we are going to focus on our key text, 'Commotion in the Ocean'. The children will be encouraged to engage in conversations about the story which will allow them to learn new vocabulary.

In Maths, we are going to learn about different positions through using words – for example, "The bag is under the table".

In Understanding the World, we will learn about different countries in the world and we will discuss the differences between a range of different countries.

In Expressive Arts and Design, we will be exploring colour mixing to create our own beach.

As part of our learning in PSED, we will learn how to develop our confidence in new social situations .

Nursery

Brixton Rec

SCHOOL'S OUT

BRIXTON RECREATION

MONDAY 13th FEB – FRIDAY 17th

HOLIDAY CLUB (5-12 years)

Monday-Thursday 09:00 – 17:00

A fun packed, multi activity holiday offering high quality care with an emphasis on FUN. We aim to do more than just keep the children occupied with a wide range of activities that offer something for everyone! Children will also have the option of swimming if they are competent swimmers. Children should wear comfortable clothes and trainers to maximise interaction. Please ensure that your children have a packed lunch full of healthy foods (not to contain nuts as an ingredient, sugary sweets or fizzy drinks), as we have no café facilities, and ensure they have plenty water.

Due to the play scheme's Ofsted registration, we can only accept children from the 1st September following their 5th birthday (school year 1 onwards).

Cost per day
Standard £20.00
Concessionary £16.40

Cost per week
Standard £100
Concessionary £82

Early drop off and late pick up collection (8.00–9.00am / 5.00–6.00pm) available for an additional £2.25.

If you would like your child to also attend our Swim School our staff can take them and collect them from their lessons.

LESSONS AND COURSES:

25% SWIM HAPPY DISCOUNT

Our 5 day short courses are a great way for children to be introduced to a new activity, or if you wish to have some intensive lessons to work on specific techniques.

Foundation: 10am-10:30am,
10:30 – 11:00am & 10am-10:30am
(Teaching Pool)
Red, Amber & Green.

Cost:
Standard £30.00
Concessionary £22.50

JUNIOR GYM (8-15 years)

Monday – Thursday:

10:00 – 14:00

Saturday & Sunday: 10:00 – 14:00

Our Community Gym or Level 6 Gym will be open specifically for those with Junior Memberships. Fitness sessions will also run.

POOL INFLATABLE SESSION

Monday, Wednesday and Friday 14:30 – 15:30

Our pool inflatable course is set up in the main pool during the holiday periods. Suitable for children who can swim 25 metres unaided and are 8 years and above.

Cost: Members £2.30, Non Mem £3

SWIM FOR ALL SESSIONS
Lagoon pool 10:00 – 15:50
Teaching pool 11:00 – 15:50

SOFT PLAY (Under 5 years)

Monday – Thursday 10:00 – 18:00

Friday 10:00-11:30am

Filled with brightly coloured tubes, tunnels and slides, our indoor play area gives those who are 12 & under in age the chance to climb, slide and play with an hour and a half of jam packed fun. We also have an area especially for children under the age of 5.

All activities can be booked online better.org.uk/Brixton, through the BETTER app or in person

Brixton Recreation Centre, 27 Station Road, London, SW9 8QQ.

Year 5P	97.4	

Well done to 1T for the best attendance in the school. Will any other classes manage 100% this week?

Attendance

Next week, in Literacy our core book for the week will be *'Clean Up!'* by Nathan Bryon. The focus will be on writing short sentences with capital letters and full stops. We will make posters to put up around school encouraging other pupils to keep their school clean and recycle.

Children will learn that even though Rocket (the main character in our book) is small, she can still have a positive impact on the world by encouraging everyone to clean up the beach. We will then discuss how the children can have a positive impact on the world themselves.

In Maths, the children will compare mass, seeing which is heavier/lighter. They will also compare different capacities seeing which is full, half full and empty.

In Understanding The World, the children will be comparing The Caribbean and England. They will be making observations about the similarities and differences between these countries.

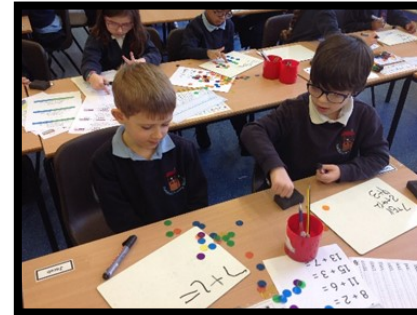

In Expressive Art and Design, we will be making a large scale recycled art project, creating collaboratively and sharing ideas, resources and skills.

Reception

Year 1

We have been enjoying learning about addition!

We have been looking at non-fiction books!

We learned the Green Cross Code!

We loved sharing our writing with our grown-ups!

In English, we will be planning and writing a non-chronological report about Amelia Earhart.

In Maths, we will be learning how to find the difference between two numbers using different resources.

In Science, we will be identifying the key features of winter and recognise seasonal differences.

In Art and D&T, we will be sketching Vincent Van Gogh's *Starry Night* and creating a colour wheel of suitable colours.

In Humanities, We will be exploring and comparing the capital cities within the United Kingdom.

Friends of Stockwell

FRIENDS OF STOCKWELL PTA

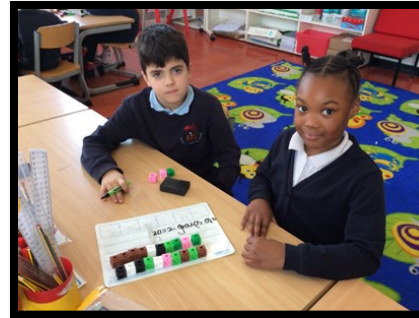

Get Involved!

We are always looking for volunteers to help organise and run events and fundraise for the school. If you are interested please get in touch.

friendsofstockwell@gmail.com

Next week, in English, we will continue to focus on non-chronological reports, learning the features of these. We will use our knowledge of The Great Fire of London to write our own non-chronological reports.

In Maths, we will learn about multiplication and division using arrays and grouping. We will apply our knowledge of sharing and grouping and use reasoning to answer word problems.

We will continue to learn about materials, with our focus being on identifying natural and man-made materials, in Science.

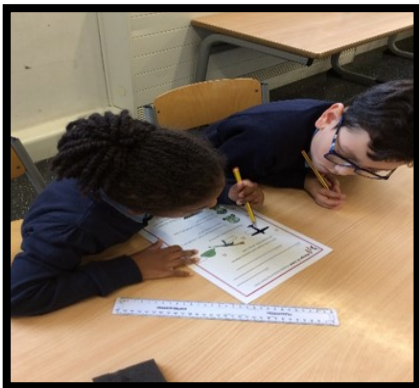

This term, we will learn about printmaking. Next week we will use the skills learnt from our art workshop to look at different ways of printing and mark making using a variety of materials.

Next week, in History, we will research and write about the causes of The Great Fire of London and look at reasons why the fire spread across the city.

Year 2

Year 3

In English, next week, we are continuing with persuasive writing and we will be creating our own persuasive poster based around our topic of World War 2.

In Maths, we will be carrying on with length and measurement, focusing on measuring & calculating the perimeter of different shapes.

In Science, we are carrying on with our topic of forces, focusing on magnetism.

In Art/DT, we are looking at sketching, and we will use sketching techniques to help us sketch London.

In History, we are continuing to look at World War 2. We will be focusing on food shortages and rationing. landmarks.

Stockwell Primary School and Children's Centre
Achieving excellence together

FRIDAY 10TH
FEBRUARY 2023

LOVE

AND FRIENDSHIP
DAY

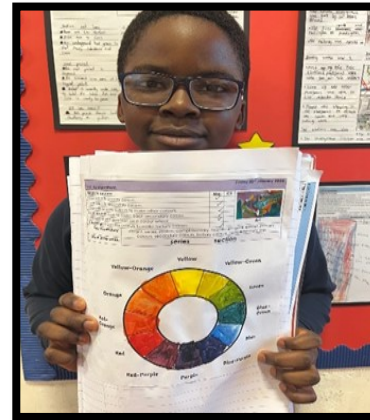

PLEASE COME TO SCHOOL WEARING RED/PINK
WITH A DONATION OF £1 TO THE PTA AND/OR A
DONATION OF CAKES/BISCUITS TO BE SOLD
OUTSIDE THE OFFICE AT 3.30PM.

Love and Friendship Day

Magician Trixy — Brixton House

If you are interested in this half term experience, please collect a flyer from the school office.

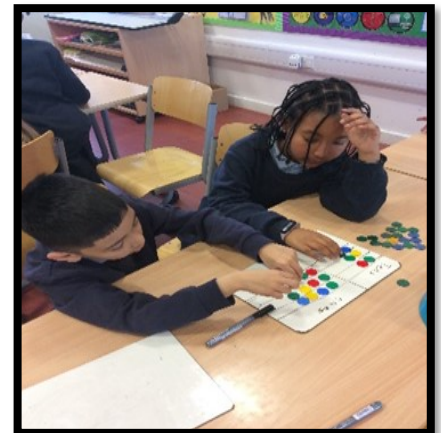

In English, we will recap the features of a non-chronological report, conduct research and begin planning for our own non-chronological reports on Peru.

In Maths, we will look at the perimeter of rectilinear shapes and find missing lengths.

In Science, we will recap our knowledge of electricity, construct our own circuits and investigate the barriers of electricity flow.

In Art, we will examine Hockney's use of lines and perspectives and draw the outline of a Peruvian landscape in the style of David Hockney's work.

In History, we will use primary and secondary sources to research the London Underground and create leaflets.

Year 4

Year 5

In Maths, we have been revisiting fractions. We have been combining our knowledge of fractions and multiplication to multiply fractions by integers. We have been using various different methods (repeated addition and partitioning) to support us in doing this.

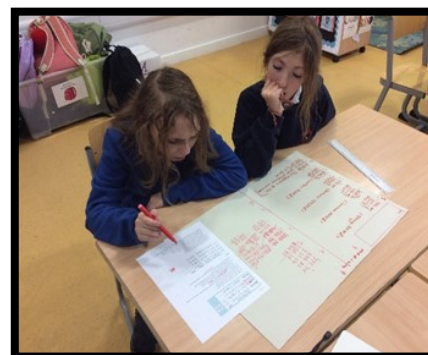

In English, we have been writing a diary entry from the perspective of a Windrush passenger. We have also been exploring and identifying the key features of a non-chronological report, in preparation for next week when we will be writing our own news reports based on the Windrush.

In Science, we have continued exploring forces. In our lesson this week, we carried out an investigation to help us explain how gravity acts. This helped us to identify the direction of gravity's pull and how it affects our everyday life.

Our Art and D&T lessons have been in line with our topic focus – Windrush. This week we have been experimenting with our own mark-making using watercolour paints. We have used Brianna McCarthy's (a Caribbean artist) portraits to replicate some of the marks she has used.

In Science, children will investigate how refraction changes the direction in which light travels.

In Art, the children will observe and draw themselves as realistically as they can, following the style of Norman Rockwell.

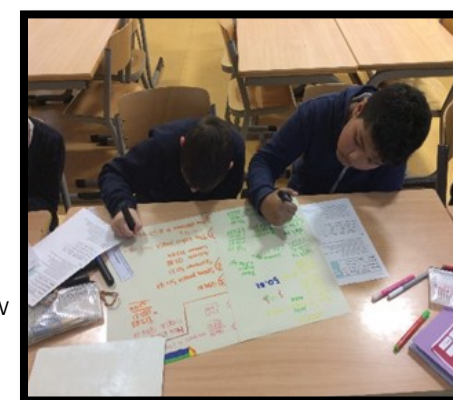

In Maths, we will continue with our unit of 'Decimals'. We will revisit how to multiply and divide by 10,100, 1000 and practise how to multiply/divide decimals by a given integer.

The children will revisit the features of a biography and write a biography on a chosen significant American person, in English.

In History, the children will learn about gold rush and how gold influenced the movement in the West of USA.
