

Stockwell Primary School and Children's Centre

Achieving excellence together

Monday 6th March, 2023

Dear Parents and Carers,

RE: Year 2 Trip to The Science Museum

As part of their learning in Science, children in year 2 have been learning about the materials and their properties. To link with their learning, we would like to take the children on a trip to The Science Museum on Tuesday 21st March.

We will leave at 9.30am to walk to Brixton Station to take the tube to South Kensington via Green Park and then take the very short walk to the museum. The museum has dedicated Materials exhibitions which we are sure the children will be amazed by.

The trip is **free to attend. Please give permission online, via scopay, before Friday 17th March.**

If you would like to volunteer to join year 2 on the trip, please speak to the admin team in the office and register your interest using the following link: <https://forms.gle/5YnYb4NADiwepkGH6>

Children will be required to wear their school uniforms, sensible shoes and appropriate coat for the weather. Children will need a rucksack to carry their lunch and a water bottle. We will be having lunch while we are at the museum, you can request a school made pack lunch via Scopay when you give permission or provide your child with a healthy packed lunch for the day. Please ensure packed lunches are nut-free.

Yours sincerely,

Mr Serra and Ms Morgan
