CRICKET

Brixton Recreation Centre
Brixton Station Road
London SW9 8QQ

Dear parent/guardian,

Brixton Buccaneers Cricket

You may be aware that your child has been taking part in cricket coaching sessions at their school this half term.

These sessions are part of a wider project which incorporates activity at 6 schools around Brixton. It aims to create new opportunities for local children to take up and progress in cricket.

To this end, we are starting a community session on Friday evenings (5.00pm-6.00pm) at **Brixton Recreation Centre, 27 Brixton Road, Sw9 8QQ** (see enclosed flyer) which is open to any student attending one of our focus schools.

Whilst the club will be fully inclusive and open to any child attending one of the 6 focus schools, our coaches have been very impressed by the natural talent and flair for cricket they have encountered in the school sessions. Consequently, we also want the club to support the most able players to develop and progress in the game should they wish to.

Our coaching team have identified **your child** as being one of most talented potential cricketers they have seen during the school sessions. I therefore hope that you will be able to bring them down to our sessions so that we can work with them further.

Should you be able to, please complete the attached consent form and bring it with you.

If you have any questions, please do not hesitate to contact me.

Regards,
