

## Lambeth Parents/Carers Session

### Child Criminal Exploitation

Our gang and county lines parents' session consists of **speakers with lived experience** within the criminal justice system to unpack and explore the **realities and consequences of county lines, gang involvement, and serious youth violence**.

Perspectives from previous perpetrators and runners/transporters, combined with relevant case studies, aid audiences in gaining an **authentic and credible understanding of this complex and cross cutting issue**.

The session will help parents and carers to **identify the signs and triggers** that a child or young person might be involved in county lines and gain an understanding of how to appropriately respond to such indicators.
