

# Taking Stock

Achieving Excellence Together

KS2 Sports Day at Brockwell Park  
Monday 7th July, 2023

## Our Fortnightly Update

As we approach the final week of the school year, I am taken aback by how much we have packed into this term alone.

Heading into the final days of the school year, I would like to take this opportunity to remind everyone to be patient with each other. Everyone deserves to be treated with respect. We do not know what people are dealing with behind closed doors and must remember to walk away if matters are getting heated. If you have a concern about your child, please remember the complaints procedure and speak to your child's class teacher. Following this, you may request an appointment with your child's phase leader and, if you are still unsatisfied, follow up with a meeting with one of the Assistant Headteachers. If the problem still hasn't been resolved, you may, at this stage, request an appointment with me.

This term started with our Portuguese and Caribbean celebrations, which were both incredibly well-attended. It was wonderful seeing our community come together to celebrate our rich heritages.

We held our sports days for Pre-School, KS1 and KS2. EYFS' Sports Day will take place next week and we hope that the weather will be on our side. KS2 went to Brockwell Park for Sports Day, and what a great afternoon it was. The Blue Kingfishers were victorious at both the KS1 and KS2 events. Well done Blue Kingfishers!

We have reached the end of our assessment period and I am incredibly proud of how the children have done. We have a truly amazing set of results, and the children should be very proud. That said, we remind the children, regularly, that their results do not define them, and our curriculum is designed to ensure that everyone has the chance to shine.

Yesterday, we hosted The Big One, a concert performed by the bands and choirs of the three BJS Federation schools. It was quite the event, and there were some truly stand out performances. A HUGE thank you to Mr Andrew for putting it all together.

The children's reports will be emailed out to you next week. Please read them carefully as they give you a clear picture of the children's learning and next steps.

The children will also be finding out their teachers next week, spending some time with them in their new classrooms. You will also receive a letter letting you know who will be teaching each class next year. I will write to you before the new term begins to update you on the arrangements for the beginning of the new year.

Have a wonderful, restful weekend and I will see you next week.

Miss McIntosh, Acting Head of School

## Dates for your Diaries

17th July	Topic Dress-Up Day/ Stockwell Superstore Refill Store/ Year 6 Dance
18th July	Year 3 Trip/ EYFS Sports Day/ Year 6 Production
19th July	Year 5 Trip/ Inclusion Sports Day/ Art and DT Exhibition
20th July	Year 6 Leavers Assembly
21st July	End of Term—1:30pm

# Lettings

We let space around the school.

You can hire the school hall, and grounds, on a regular basis or as a one off.

Need a space for a party?  
Looking for a pitch for your team?

Contact the school office on:  
[clericalofficer2@stockwell-pri.lambeth.sch.uk](mailto:clericalofficer2@stockwell-pri.lambeth.sch.uk)  
to make an enquiry.

## Value of the Month

### Courage

Please remember that everyone in our school community deserves to be treated with respect. While we may have differences of opinion, it is vital that we continue to communicate effectively with each other. Breaches of conduct towards staff, children or other parents may result in the school taking further action.

Need to get in touch? Contact us in the following ways: [www.stockwell-pri.lambeth.sch.uk](http://www.stockwell-pri.lambeth.sch.uk)

Telephone: 020 7274 7687

Twitter: @StockwellPri

E-mail:

Keep in touch with everything Stockwell Primary by joining the Parent's What's App Group. Use the QR code below to join or call/Text 07760 297 209 and to find out about your class group.

We would like to thank the following businesses for their contributions to our recent school events.

Wingmans Restaurant – Shoreditch & Soho

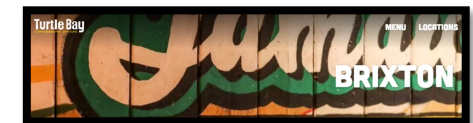

Fish Wings & Tings – Brixton

Rum Kitchen - Brixton

Turtle Bay – Brixton

Grove Adventure Playground, Brixton

Cantinho de Portugal

M Dashin Barbers, Atlantic Rd, Brixton

AkomaAsa—Dance and Performing Arts

Jungle Bar and Grill—Stockwell Road

Funchal Bakery

## Thank You

On Friday, 9th June, we celebrated Portuguese Day. Mrs Fraga, Mr Serra, Miss Helia, Miss Dina, Miss Teresa and Miss Lucia put together a presentation, which celebrated Portuguese speaking nations around the world. The children explained the history of Portugal, how the Portuguese language spread across the world, sang traditional Portuguese songs and showcased a dance routine from Angola. It was wonderful to have so many parents and carers onsite for this annual celebration.

In the week running up to the event, we held a raffle, which raised a profit of £123. Thank you to everyone that bought tickets and made donations.

Huge thanks to everyone who donated time and goods. To everyone who came together to cook and ensure that a good time was had by all, we appreciate your efforts. It was a glorious afternoon and we loved having the opportunity to celebrate alongside this branch of the Stockwell family.

## Portuguese Celebration Event

# Pre-School

The Pre-School children have been learning about hygiene, cleaning teeth and the dentist.

Children have been engaged in role play, pretending to be dentists. This has supported them to build and expand on their communication and language skills, learning new words that has been supported by the word cards, developed on their social skills and acting out real life experiences. The children used tooth brushes to clean their babies' teeth. They used floss to clean in between the teeth that they had created with blocks and play dough.

The children also did mark making through sensory play. While some children were creating early scribbles, some were imitating the way adults write and trying to form recognisable letters.

We dressed as princesses

We decorated gingerbread people

We baked biscuits in the shape of gingerbread people.

We wrote about the Gingerbread Man.

In Literacy, we are going to be reading *"I Can Be Anything!"* and *"Dear Teacher"*.

In Maths, we are learning to use 2D shapes to create other shapes.

In Understanding of the World, we will be thinking about different occupations.

In Expressive Arts and Design, we will be singing to match pitch.

As part of our learning in PSED, we will learn about taking part in games together.

# Nursery

In Literacy, we are reading the book 'The Koala who could'. We will be talking about what children are looking forward to and nervous about for Year 1. The children will be writing goals for the next school year in letters to their new teacher, to give to them in transition week.

In Maths, we will explore maps and make our own maps of familiar areas and journeys from our favourite children's stories. We will use positional language to explain how characters would journey from one location to another.

In Understanding The World, the children will discuss what they have improved at as the year has gone on. They will also think about what has changed. They will make detailed observations about the natural world around them.

In Art and Expressive design the children are going to invent their own narratives about a new animal that is worried about change. This will help them discuss different ways to help their animal friend.

In PSED children will talk about moving to Year 1. They will discuss the similarities and differences between Reception and Year 1, and how the change makes them feel.

## Reception

## Year 1

We had so much fun in Brockwell Park!

Well done to the Blue Kingfishers at Sports Day!

We had so much fun at the Aquarium!

We have been looking closely at plants, so we can sketch them like Beatrix Potter.

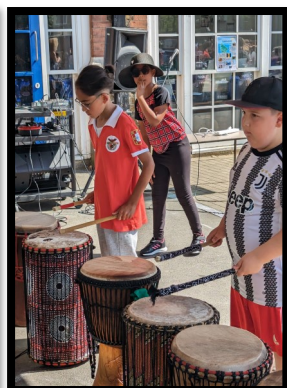

In English, we will be writing a recount about our trip to the Aquarium.

In Maths, we will be learning how to tell the time to the hour.

In Science, we will be continuing our learning about common plants and trees.

For DT, we will be planning and making a healthy sandwich.

In Humanities, we will be finishing off our topic about the Seaside, making a timeline and pretending that we are a tourist visiting a new place.

On Friday 23rd June, we celebrated our Caribbean community and the 75th anniversary of The HMT Windrush's first landing in Liverpool on 22nd June, 1948. The community came together to celebrate the legacy of the Windrush generation and spend an afternoon together in the sun.

In the weeks leading up to the event, Ms Thomas and some talented artists from Year 3 completed pieces inspired by Windrush and the Caribbean, and these were displayed during the afternoon.

Year 5 kicked the event off by singing, reminding us why we had all come together and AkomaAsa led the children in art activities and drumming workshops.

We had inflatable orbs, a barber came to line up people's edges, the BBQs were going, Ms Thomas and Ms Bowes painted faces, there were games of dominoes a plenty.

There was food and drink to share and everyone left with a smile on their faces and their tummies full. We even ended the event with a magic show!

We wore red on the day to raise awareness about Sickle Cell disease, which is particularly common in people of African and Caribbean descent. The raffle raised £387, more than paying for the event itself. Our own clothes day raised £200, giving us a total of £246 to donate to the Sickle Cell society.

What an afternoon. Huge thanks to Mr Taylor for spearheading the event and to the team of parents, carers and staff who came together to provide food, time and donations.

## Caribbean Celebration Event

# Friends of Stockwell

## FRIENDS OF STOCKWELL PTA

Get Involved!

We are always looking for volunteers to help organise and run events and fundraise for the school. If you are interested please get in touch.

[friendsofstockwell@gmail.com](mailto:friendsofstockwell@gmail.com)

The children will continue to learn about non-fiction texts. They will focus on the key features and what to include in order to create our own information text.

In Maths we are starting the consolidation week. We will be focusing in fractions.

In Science, we will continue to look at living things and their habitats. We will conduct an experiment on what makes a good habitat for a plant or animal to live in.

In DT, we will start to sew a puppet using all the techniques we researched and learned about in the previous lessons.

In Geography, we will continue to look at the human and physical geography of London and Tokyo, comparing similarities and differences. We will also be learning about cultural differences between London and Tokyo.

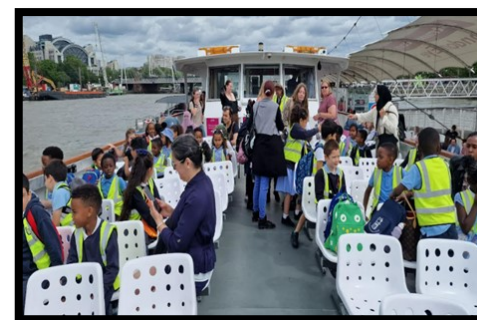

## Year 2

# Cricket

**We really enjoyed that we got to go and we won 1st and 3rd place. We had fun because we got to play as a team and we are excited to go again on 14th July.**

By Ashley and Elis

In Geography, we will continue to look at the human and physical geography of London and Tokyo, comparing similarities and differences. We will also be learning about cultural differences between London and Tokyo.

## Year 2

# Year 3

In English, the children have been writing a poem about an animal from the rainforest. They are going to be researching rainforest animals to create a non-chronological report.

In Maths, the children have been exploring the properties of 2D and 3D shapes. They will be moving on to looking at statistics and the variety of ways data is represented.

In Science, the children explored the different parts of a human skeleton. They found facts about the different bones and the purpose of them. They will be exploring muscles.

In DT, they taste tested different dips and chips to decide what they would enjoy on their nachos. They will be making nachos using tortillas and different dips.

In Humanities, they have debated why deforestation should be explored and minimised and the impact it has on the animals, rainforest and environment. They will be looking at the hierarchy of the Mayan Civilisation.

In English, we are drafting our own version of the story '*Greta and the Giants*'.

In Maths, we will continue with our topic of geometry, identifying lines of symmetry in 2D shapes.

In Science, we will investigate how water changes state in the water cycle.

In DT, we will be designing our 'bags for life'.

In Humanities, we will be undertaking our end-of-unit assessment for our summer topic, 'Saving our World'.

# Year 4

## Year 5

In English, we have been exploring the features of persuasive writing. We have been using what we have learnt about to write a business proposal, suggesting new ideas for our school.

In Maths, we have been using our multiplication and division knowledge to help us convert different measurements. We have been converting between kilometres and metres as well as millimetres and centimetres.

In Science, we have been investigating different materials and their properties. We have been exploring different chemical changes by identifying whether they are reversible or irreversible.

In DT, we have been exploring the features of different logos. In our last lesson we used Microsoft publisher to design our very own logos.

In Topic, we have been looking into the UK's top 10 trade links. We have been identifying the products and services that we import and export and how this impacts our economy.

Rehearsals are well underway for Year 6's end of year performance of Shrek. We are very excited and hope that there will be lots of Year 6 parents, carers and families in the audience cheering the children on.

Don't forget about the Leavers' Assembly on Thursday at 2:30pm.

## Year 6

# Children's Centre

## Venue Details

<b>Brixton Stockwell Virtual Session – online or by phone</b>
