It is an exciting time to be working in Lambeth Children's Centres; delivering services and support to children and their families across our Better Start areas.

Lambeth Children's Centres are managed by lead schools and are supported by the local authority. Partnership working with health services, early help and social care, and a wide range of voluntary sector organisations is well established, and ensures that there is a strong offer for Lambeth families. Staff work in area based teams, across a number of different children's centres and other sites within the area.

Stockwell Children's Centre, Liz Atkinson Children's Centre and Jessop Children's Centre are the three centres within the Brixton Stockwell Area. We deliver a wide and varied range of activities and support services for local families. Stockwell Primary School within the Bonnevile, Jessop, Stockwell federation is the lead school within this area.

We currently have a vacancy in the Brixton Stockwell Better Start team for an Early Years and Family Practitioner (temporary Maternity Leave Cover). We are seeking to recruit an experienced and enthusiastic person who is passionate about the role of children's centres in improving the lives of young children and tackling inequality and disadvantage.

Early Years and Family Practitioners deliver early years' services to young children and their families, including parent/child play sessions and crèche sessions to support adult learning activities. You will work alongside parents to support them and their children to achieve the best possible outcomes; offering knowledge, advice and guidance when needed.

The ideal candidate will;

- Be knowledgeable about the early year's foundation stage and passionate about delivering high quality early year's services to young children and their families.
- Be committed to working collaboratively with parents and carers to improve outcomes for children and families.
- Understand the importance of the parent child relationship in helping their child's development
- Work as part of an area team, working at different sites throughout the week to ensure quality services are provided throughout the Brixton Stockwell area.

We are committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expect all staff and volunteers to share this commitment. This post is subject to an enhanced DBS check
