

Thursday 5th September 2024

Dear Parents and Carers,

INTERNATIONAL EVENING

This year, we will be hosting our second, annual International Evening.

This is an evening to celebrate the many different cultures and countries that make Stockwell so special. There will be entertainment from the children, so we would like as many children to stay at school to take part as possible. Please join us in the Green Zone, from **3:30pm – 5pm on Friday 23rd September.**

It is free to come and take part but each family must bring a dish – whatever you like eating at home – so we all get to taste each other's food. You will have the opportunity to serve your own food from a table, food market style. So cook a pot of your favourite dish to share a sample of your culture. Oh, and there will be music to keep us in the party spirit.

Children may come to school in traditional clothing that day, or wearing colours that represent their family's home nations.

We will need a little help with setting up and clearing away. If you are available from 2:30pm to 3:30pm and/or 5pm to 6pm, please offer your support with these tasks by emailing the school and letting us know.

Many hands make light work!

I look forward to having a wonderful evening with you all.

Yours sincerely,
Ms. Z. McIntosh
Head of School
