**Re: Parents/Carer Consultations Tuesday 15<sup>th</sup> & Wednesday 16<sup>th</sup> October 2024**

Dear Parents/Carers,

Parent consultations, a crucial part of our commitment to your child's development, are fast approaching. We urge you to maximise your time and book your appointment online.

All appointments are in person, but we understand that a virtual appointment may be more convenient for you. If so, please get in touch with the school to request this from your child/ren's teacher.

You will receive a booking link on **Wednesday, 9th October, at 3 pm.**

As usual, appointments are available on a first-come, first-served basis. Each appointment lasts 10 minutes.

**Ms McIntosh's tips!**

Set up

- You will receive a booking link for 'Calendly.'
- Select the date you want to meet the teacher
- Choose the time
- Add your child's name and your email address
- If you need any advice or assistance, please get in touch with the school office

The purpose of the consultation is to discuss how your child/ren are progressing physically, mentally, emotionally and academically so we can plan to support their needs in the future. We could gain further insight into how best your child learns and build on this. It is also an opportunity for you to find out how you can best support them at home.

It is vitally important that we get the opportunity to discuss all this with you. We are fully committed to securing an appointment for every single child, demonstrating our dedication to your child's education.

We ask that you help us achieve this by confirming an appointment on one of the two days. Children do best when school and parents work together; we all want the best for our children and have the right intentions.

Thank you for your support.

Regards,

Ms McIntosh  
Head of School
