YEAR 2 FOOTBALL

In the football match, we had a tough game where we missed two important shots early on. We managed to score a goal, making it 1-1, but the other team quickly scored again, taking the lead at 2-1. We tried hard to get back into the game, but it wasn't enough. We missed more chances, and in the end, we lost. It was frustrating because we played well, but we just couldn't get the goals we needed to win.
