ACCELERATE ACTION

SHARE AND INSPIRE

COMMUNITY COLLABORATION TO CELEBRATE INTERNATIONAL WOMEN'S DAY

We are welcoming females, from different backgrounds, from our school community, to speak to the children about what they do. Every member of our community makes a valuable contribution.

If you, or a female family member, can share with and inspire the children during week beginning 3rd March, please let us know:

- What time can you pop in?
- How much time can you spare?
- Which year groups are you keen to share with?

We will then be in touch to finalise the arrangements.

We hope that you can join us to celebrate the achievement of all women and thank you in advance.

2025 INTERNATIONAL WOMEN'S DAY
