

# Stockwell Primary School and Children's Centre

Achieving excellence together

Tuesday 4<sup>th</sup> March 2025

Dear Parents and Carers,

Dear Parents and Carers, We're the ECO Refill team and we've created a business called The Eco Refill Warriors!

Our School have been selected to participate in a pilot of London Schools, to see if children can make a big difference to plastic waste, by introducing refill shops that we run at school. Please help us to help our planet!

Reusing and refilling containers reduces waste and prevents all the emissions that go into making more and more plastic containers. We hope by having a nice convenient refill shop at school, you'll find it easier to reuse more and waste less.

Please ensure you bring an empty bottle to refill. We advise around a 500ml bottle. If you have any spare bottles, please donate them to the eco team; we would be extremely grateful.

Our ECO shop refills washing up liquid, body wash hand wash AND shampoo with our gorgeous range of eco friendly, vegan, cruelty free products that are made here in the UK.

- 500ml Washing up liquid (Wild Rhubarb & Lemon): £1.50
- Washing up liquid (Apple Orchard): £1.50
- Hand soap (French Vanilla): £2.10
- Body wash (Nourishing Coconut): £2.60
- Laundry Liquid (Tropical Coconut): £1.80

Every bottle refilled is one less in landfill and avoids all the harmful emissions that are involved in making a new bottle. Even our big bulk containers are returned to be refilled and reused, so we're working hard to protect our planet. We hope you'll be able to help us reduce plastic waste by refilling with us. If we all do this together it'll make a big difference - please help us to make a big difference for our planet and for our future.

The ECO Refill shop will be open every other Wednesday starting Wednesday 12<sup>th</sup> March at 3.30 - 3.45 in the playground. For any pre-orders use this [form](#). Any questions email [ecorefillshop@stockwell-pri.lambeth.sch.uk](mailto:ecorefillshop@stockwell-pri.lambeth.sch.uk)

Kind regards,  
The ECO Refill Team  
Ms Hancock
