Achieving excellence together

Dear Parents and Carers,

Ref: Yr 5 Level 1&2

We have been given the excellent opportunity to provide free Bikeability Training at **Level 1&2** to our children in Year 5.

The date for this will be **Level 1&2 Bikeability for up to 24 children from Year 5 starting on Monday 17th November.** This safe, structured and standardised programme is designed to make your child a more competent cyclist and prepare them for cycling on road.

In order to secure your child's place on this course, **please complete the attached form and give it in to the office.**

All courses are first-come, first-served. If your child has already done the course and is a confident cyclist, please allow other children to sign up so they can access the course and develop their skills.

Your child is being offered a Level 1&2 course. Level 1 is designed to give your child control over his / her bike and takes place in groups in a space away from traffic such as a playground or closed car park. Level 2 will ensure your child is prepared for short journeys such as cycling to school. Training takes place in small groups on quiet, local streets, giving trainees a real cycling experience.

Please let us know if your child needs a bike and/ or a helmet as we are able to supply these.

Training will be carried out by Cycle Confident, the borough's cycle training provider, and will be delivered by 2 fully accredited National Standards cycling instructors with enhanced DBS checks.

We hope that lots of you will take us up on this brilliant opportunity.

Yours sincerely,

Ms Angley
