

# Stockwell Primary School and Children's Centre

Achieving excellence together

Tuesday, May 12, 2026

Dear Parents and Carers,

I am writing in response to a matter that has been brought to my attention. I am aware that there has been some concern about the well-being of the Year 6 children, particularly in the run-up to SATS.

The children have been spoken to about our expectations for this week and the weeks following SATs. We have made it clear that we are asking the children to try their hardest in terms of their attitudes to their papers, their resilience and their behaviour. We have reminded them that this is all we are asking of them and that, regardless of the outcome of the tests, we are proud of their hard work.

Staff in year 6 are working incredibly hard to ensure that every child feels prepared, supported, and calm. Please be assured that the well-being of your children is, and will always be, our first priority. We have robust support in place, and the team is fully committed to helping every pupil feel ready and confident.

It is also worth noting that children, particularly during times of heightened emotion, do not always relay information accurately.

I would ask all parents and carers to refrain from using social media, including Whatsapp, or other messaging services, to discuss concerns about the school or the staff. If your child comes home and says something that is a concern, please bring this to me or another member of the Senior Leadership Team. We are always here, and we are always happy to help.

Last week, the children brought home letters of encouragement from the team. They will also receive certificates from Ms Parker congratulating them on completing their SATs Boosters and revision. At the end of the week, they will receive a celebratory letter from me and will go to Brockwell Park.

I do hope that this clarifies the situation. If you have any further queries, please speak to a member of SLT or me.

I look forward to continuing to work with you to support the children in reaching their full potential.

Yours sincerely,

Ms McIntosh  
Head of School.
