Achieving excellence together

Friday 7th September, 2026

Dear Parents and Carers,

RE: Year 6 IntoUniversity FOCUS Week – Creative Arts

We are delighted to inform you that Year 6 pupils will be taking part in an exciting IntoUniversity FOCUS Week this half term, with a focus on Creative Arts.

IntoUniversity is a national education charity that works in partnership with schools to raise aspirations, support academic development and introduce pupils to future pathways, including higher education. The FOCUS Week programme is designed to complement the National Curriculum while developing pupils' confidence, teamwork, communication and creativity. During the week, pupils will explore the theme of Creative Arts through a series of immersive, hands-on workshops. Pupils will have opportunities to explore different forms of creative expression, develop new skills and consider how the arts connect to further education and a wide range of future careers.

During the FOCUS Week, pupils will travel daily to IntoUniversity Kennington, where they will take part in workshops from 9:30am–2:30pm. Travel will be by public transport and pupils will be accompanied by school and IntoUniversity staff at all times. On Wednesday and Friday, pupils will instead travel to external venues for planned educational visits. Full details of these visits are outlined below. Children should be dropped off and collected from school as normal each day.

6K: Monday 14th September - Friday 18th September 2026.

6M: Monday 28th - Friday 2nd October 2026.

Educational Visits During FOCUS Week

As part of the programme, pupils will take part in two educational visits linked to the Creative Arts theme.

Wednesday Visit – Tate Modern

Pupils will visit the Tate Modern, where they will take part in activities and workshops. This experience will give pupils the opportunity to explore the Creative Arts beyond the classroom and develop their understanding of how creativity can be used in different settings and careers.
