Monday 2nd November, 2026

Dear Parents and Carers

Ref: Cauliflower Christmas Cards

This term, we have decided to participate in a **'Christmas Design Project'** run by Cauliflower Cards. The project aims to encourage pupils' creativity and design skills whilst also raising funds for our school.

Your child has been busy creating their own Christmas design, which can be professionally printed as personalised Christmas Cards, Gift Labels, Wrapping Paper, Spiral Books, Playing Cards, and/or Mugs.

Not only would it be very exciting for your child to see their unique artwork transformed into a finished, printed product, but the cards are also great for sending personalised greetings to friends and family at Christmas time. The playing cards and mugs are great for gifts too!

You should receive your child's design along with a Pupil Order Form. Each form contains a unique code that links directly to your child's artwork. To place an order, please go online and enter this unique code when prompted. All orders and payments must be completed online.
Further instructions can be found on the order form provided.

Please do not photocopy the form, share your code with other parents, or use the same code to place orders for siblings - every child must use their own individual form and code.

All orders must be placed and artwork forms returned to school by:
Friday 13th November to your child's class teacher, ready for collection by the Cauliflower Group.

All products will be delivered to the school for distribution by the beginning of December.

Yours sincerely,

Miss A. Mattey
Year 6 Class Teacher and Art/DT Leader
